# TERMS OF SALE

1. All bidders, by bidding in the sale, agree and acknowledge that a 10% Buyer's Fee will be added to the winning bid for each lot. The 10% Buyer's Fee will be added to all invoices over and above the amount of the winning bid or bids and will be imposed on all successful bidders. The sale is strictly for cash and all winning bids must be paid promptly and in no event shall lots be delivered without receipt of payment in full. Successful mail bidders shall pay their invoices within five days of receipt of same. Late payment shall negate any return privilege. Checks may be accepted with identification and credit references satisfactory to *Currency Auctions of America, Inc.* On past due accounts *Currency Auctions of America, Inc.* shall be entitled to impose late fees and interest at the highest rate permitted by law. Buyer agrees to pay reasonable attorney fees and such other costs as may be required to collect on past due accounts. All lots delivered in Texas or Missouri are subject to sales tax. Buyer agrees to pay any and all sales and/or use or other taxes that may now or later be found or determined to be due or payable, including any penalties or interest found to be due by virtue of arising out of the sale. Buyer further agrees to indemnify and hold *Currency Auctions of America, Inc.* harmless for any such sales, use or other taxes due or later determined to be due, including interest and penalties, arising out of the sale. Buyer agrees to pay all applicable costs of shipping, insurance and handling.
2. Buyers who claim exemption from the imposition of sales or use taxes must submit properly executed exemption certificates. Lots delivered in Texas or Missouri will be subject to sales or use taxes unless such documentation of entitlement to exemption is furnished to *Currency Auctions of America, Inc.*
3. By bidding in the sale, whether as an individual, agent for another party, or on behalf of a corporation or as an employee, all bidders agree to be personally liable for the full amount of their bids, the Buyer's Fee and all taxes and delivery charges.
4. Bids will not be accepted from minors. All bidders certify and represent that they are of legal age to contract and that they are authorized to enter all bids, individually and in total, that they make.
5. Floor bidders and mail bidders who have not previously established credit with *Currency Auctions of America, Inc.* must do so prior to being permitted to bid. Bidders may be required to submit a cash deposit of at least 25% of the total amount of their bids prior to bidding, at the sole discretion of *Currency Auctions of America, Inc.* Such deposits will be credited to purchases and unused portions refunded. *Currency Auctions of America, Inc.* reserves the right to determine bidder qualifications, credit and otherwise, and may deny bidding privileges at its sole discretion.
6. Lots shall be awarded to the highest bidder as determined by the auctioneer, who shall make the final decision in the event of a dispute between bidders.
7. Mail bidders are urged to mail their bid sheets early. All mail bids must be in our hands no later than Wednesday, May 8, 1991.
8. The auctioneer shall have the right to refuse to accept bids which in his judgment are not made in good faith. The auctioneer shall have the right to open lots at amounts determined by him and to establish bidding increments. The auctioneer may place bids on behalf of mail bidders, the seller or others. *Currency Auctions of America, Inc.* or its officers may bid for their own account.
9. The auction is not an approval sale. Bidders are encouraged to examine all lots prior to bidding. No lot purchased by a floor bidder, or by a mail bidder who has examined the lot, may be returned, including those lots where the bidder is acting as agent for another.
10. a. All lots guaranteed to be genuine. Claims to the contrary must be made within three days after receipt of the item. Grade or condition is agreed by bidders not to be an aspect of genuineness. Pedigree or prior ownership is not an aspect of genuineness.  
b. No lot may be returned without prior written consent of *Currency Auctions of America, Inc.*, which shall be requested in writing within three days of receipt of the lot or lots in question. Late payment for lots shall negate any return privilege at the sole discretion of *Currency Auctions of America, Inc.*  
c. Some lots are described as "as is" or "sold as is". Such lots may not be returned for any reason.  
d. In no event may any lot be returned more than thirty days after the sale.
11. In the event bidder fails to pay an invoice when due the unpaid balance will accrue interest at the highest rate permitted by law until paid. Bidder agrees to pay all costs, including reasonable attorney fees, and court costs and such other collection costs as may be incurred by *Currency Auctions of America, Inc.* The courts of Travis County, Texas shall have exclusive jurisdiction and venue over any suit initiated or arising out of the sale. Bidders agree that service of process by certified or registered mail, return receipt requested, shall

be sufficient to establish in personam jurisdiction over bidder.

13. "Bidder", "Buyer", or "Purchaser" shall be understood to mean the original buyer of the items in the sale and not any subsequent person or entity who at a later time may acquire an interest therein.
14. Bidder agrees and acknowledges that grades and/or conditions are the opinion of the cataloguer only and not a warranty. Grading is a subjective art and not an objective science. The opinions of different individuals as to the grade of a given lot can and will vary. The opinion of the same individual grading an item at different times can and will vary. Grades are stated as a convenience to bidders only to assist in directing them to lots they may wish to examine. *Currency Auctions of America, Inc.* strongly urges all bidders, including mail bidders, to examine lots prior to bidding, either in person or through their own agent. *Currency Auctions of America, Inc.* does not represent that a note has or has not been cleaned or that any other entity or third party grading service will or will not agree with our grade opinion for any item. Please note that no lots graded by a third party grading service may be returned for any reason. Bidders should examine all lots and form their own opinions of the items in the sale prior to bidding. Except as otherwise stated expressly in the TERMS OF SALE, *Currency Auctions of America, Inc.* its agents and employees make no warranties, guarantees or representations and expressly disclaim any warranties, representations or guarantees, including a warranty of merchantability.
15. In the event of any claim or controversy arising out of the sale, the sole remedy of the bidder or buyer shall be a refund of the original purchase price and buyer's fee. The courts of Travis County, Texas shall have exclusive jurisdiction and venue over any case or controversy arising out of this sale or any transaction associated therewith.
16. By bidding in the sale all bidders acknowledge having read and that they agree to be bound by the TERMS OF SALE and that they further accept the TERMS OF SALE without reservation.
17. Title to all lots remains with the consignor until paid for in full by the bidder. Bidder agrees to keep all lots in his possession safe and fully insured until paid for in full.

## A WORD ABOUT GRADING

Grading is an art and not a science and opinions of grade for a particular item can and will vary. We urge all bidders to examine lots they may wish to bid on prior to the sale, either in person or through their own agent. Grades stated are the opinion of the cataloguer given as a convenience to bidders to assist in identifying lots they may wish to examine themselves.

## HOW TO BID BY MAIL

Bid as much as you are willing to pay for the lot you are interested in. Lots will be opened to floor bidders at approximately 5% over the second highest mail bid. For example:

On lot 777 you bid \$325. If the next highest mail bid is \$260 the lot will be opened to floor bidders at \$275. If no one bids higher (\$300) from the floor you will be awarded the lot at \$275. If we receive a bid of \$300 from the floor, the book (your bid) will bid \$325 for you. If the floor action stops here you will be awarded the lot at your full bid of \$325. Should the bidding proceed past \$325 the book (you) is out and a floor bidder will be awarded the lot.

In this manner you participate on an equal basis with floor bidders, and have an equal opportunity to obtain your lots well below your top bids.

## A WORD ABOUT ESTIMATES

The estimates in this catalogue are guides to the bidders. We have tried to make them as accurate as possible. They are not intentionally low to allow us to claim bragging privileges as to how much over the estimate we obtained, nor are they high in an attempt to lure the unwary into bidding more than market. While it is a certainty that some items will bring somewhat under estimate, it is equally certain that some items will sell far over estimate. We would expect that the total estimates in this catalog will be within 10%, one way or the other, of the total prices realized.

## SPECIAL THANKS

An undertaking of this size requires the informal assistance of a great number of collector and dealer friends. We wish to thank everyone who called on their specialized area of expertise to assist us where we were lacking.

In particular we would like to thank Mr. Martin Gengerke of Stack's, who allowed us to access his pioneering research in both Large Type and Nationals. His voluminous computer files are helping to transform the currency market from pricing based on hearsay to prices based on objective research. Martin Gengerke has also earned our thanks for his excellent photography throughout the catalog.

Thank you, friends and colleagues,

Allen, Kevin and Len

## CONTINENTAL CURRENCY

- 1 **Continental February 17, 1776 \$1 Choice New.** A well-margined, attractive example of this scarce denomination. (175-up)
- 2 **Continental May 9, 1776 \$6 Choice About New.** A great looking note with a single light center fold. (75-up)
- 3 **Two New Continentals.** July 22, 1776 \$2 and February 26, 1777 \$4. (2 pieces) (150-up)
- 4 **Continental July 22, 1776 \$8 Very Fine.** Signed in bold red ink by Ben Jacobs, one of the two Jewish signers of Continental Notes. This would make a nice pair with the four dollar from our November Sale. (125-up)
- 5 **Continental February 26, 1777 \$30 Choice About New.** The lightest of center folds on this scarce Baltimore Issue. Appears fully Choice New unless examined very closely. (150-up)
- 6 **Continental Counterfelt April 11, 1778 \$5 Extra Fine.** A very attractive, sharply printed Tory Counterfeit. This is from the group of counterfeits that brought about the recall of the issue making this 4/11/78 issue the scarcest of the Continentals. (325-up)

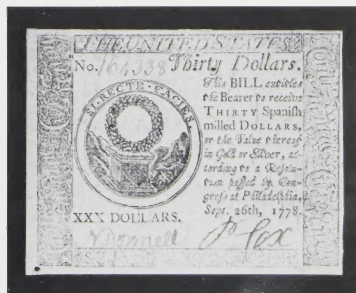

- 7 **Continental September 26, 1778 \$30 Blue Counterfelt Detector Note Gem New.** Detector Notes are meant to be unnumbered and unsigned; this piece is numbered and signed by T. Russell, who is listed in Newman as a signer of the July 22, 1776 issue. It is possible that this detector note was signed by Russell as a keepsake for a friend or relative. It is equally possible that Mr. Russell's signature was copied by a drooling psychopath in 1923. In any event, it is a perfect Gem example and most attractive. (150-up)

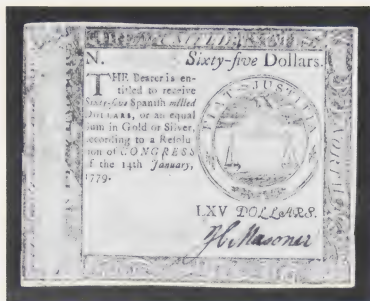

- 8 **Continental September 26, 1778 \$40 Blue Counterfelt Detector Note Gem New.** But for the denomination, this note is identical to the last lot. (150-up)

- 9 **Continental September 26, 1778 \$7 Choice New.** Great color, strong signatures and number, bold clear printing and excellent margins. Very few Continental Notes are seen this nice. (200-up)

- 10 **Continental September 26, 1778 \$30 Choice New.** (150-up)

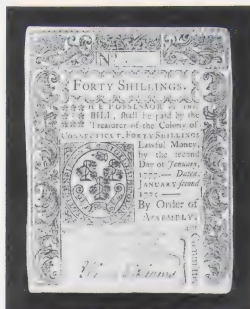

- 11 **Continental January 14, 1779 \$65 Choice New.** A very nearly Gem example of this pretty note. Strong signatures and vibrant color. (150-up)
- 12 **Five High Grade Continentals.** 2/26/1777, \$30, Very Fine; 9/26/1778, \$7, Extra Fine; 9/26/1778 \$50, About New; 9/26/1778 \$60, Extra Fine; 1/14/1779 \$20, Very Fine. (5 pieces) (225-up)
- 13 **Two Continental \$8 Notes.** February 17, 1776 Extra Fine and September 26, 1778 Fine. (2 pieces) (70-up)
- 14 **Continental Grouping.** November 29, 1775 \$5 Fine; February 17, 1776 \$1/6 Choice Fine; February 17, 1776 \$1/3 (2) both Very Good; May 9, 1776 \$1 Good; May 9, 1776 \$1 Very Good; September 26, 1778 \$50 Good; and January 14, 1779 \$4 Very Fine. (8 pieces) (150-up)
- 15 **Five Continental Notes.** May 10, 1775 \$6 Fine; May 10, 1775 \$8 Choice Very Fine; February 17, 1776 \$1 About New, a desirable denomination; May 9, 1775 \$3 Choice About New, with exceptional margins; and June 22, 1776 \$8 Very Fine. (5 pieces) (160-up)

## COLONIAL CURRENCY CONNECTICUT

- 16 **Connecticut June 19, 1776 1s Gem New.** A perfect Gem Note equal to the 1s note of the June 7th issue in our last sale which brought \$280. (300-up)

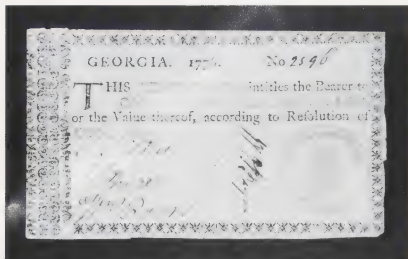

- 17 **Connecticut June 1, 1780 9d Very Fine; July 1, 1780 40s About New,** slash cancelled; and a piece of fiscal paper dated at Hartford, December 26, 1781. (3 pieces) (100-up)

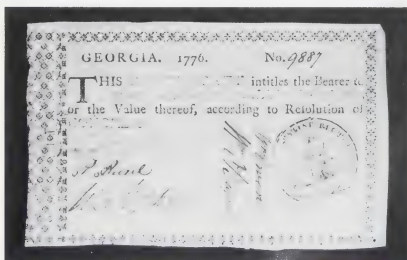

(EXAMPLE)

- 18 **Connecticut Set.** A complete, uncanceled, uncirculated set of forty shilling notes from 1775. One from each of the four separate issues: January 2, 1775 Choice New, May 10, 1775 Choice New, June 1, 1775 New and July 1, 1775 New. Unlike the later Connecticut Issues 1775 notes are rarely seen uncirculated and rarely seen uncanceled. This wonderful complete set of matching denominations from all four issues would be extremely difficult if not impossible to duplicate. None of the issues are listed in Newman above Very Fine. A great item for the serious collector of Connecticut Notes. (4 pieces) (750-up)

## GEORGIA

- 19 **Georgia 1776 Orange Seal Issue \$1.** Perfect Very Fine with a strong Orange colored Seal and no problems. (250-up)

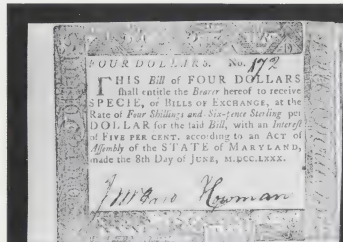

- 20 **Georgia 1776 Blue Seal Issue \$1.** Perfect Very Fine with a strong Blue Seal, and excellent margins. An ideal mate to the Orange Seal in the previous lot. (250-up)

- 21 **Georgia 1776 \$1 Blue Seal.** Only Fine but with extraordinary color, bold signatures, and an incredibly sharp seal. A Georgia this good looking is worth far in excess of what its technical grade might suggest. (200-up)
- 22 **Georgia 1776 \$1 Blue Seal Good.** Split in quarters and rejoined; some staining, but still well worth . . . (80-up)

## MARYLAND

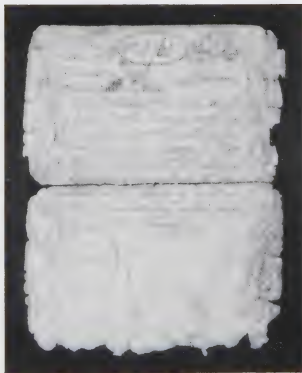

- 23 **Maryland April 10, 1774 \$1/9 Choice About New.** An extremely high grade for this issue. This lowest denomination is rarely seen. This denomination carries the full name Anne Catharine rather than the initials AC as on all other denominations. (125-up)

- 24 **Maryland June 8, 1780 \$4 Superb About New.** This spectacular rarity is unpriced in Newman in any grade and is priced at \$500 in Very Fine in Friedberg. By far the finest example of this issue we have ever seen, this note should grade Choice New but for one fold in the margin area. Deep bold signatures of Cowman and McHard and the low serial #172. It's unusual to find a "Black Money" Maryland Note in any grade, finding another in this grade will be a long time coming. (1,000-up)

## MASSACHUSETTS

- 25 **Massachusetts August 18, 1775 2s.** A low grade but charming, authentic example of this earliest Sword In Hand Issue. Engraved and printed by Paul Revere only four months after his famous

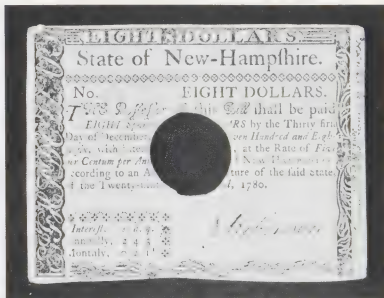

ride. Grading Good or nearly so, this note has tattered edges and has been split and sewn, a testimony to its heavy use at the time of issue. (450-up)

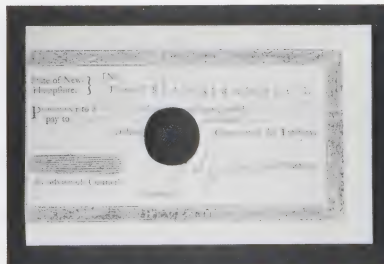

- 26 **Massachusetts October 16, 1778 2s Fine.** Lightly stained but fully intact and completely legible, this Codfish note was engraved by Paul Revere. (150-up)

## NEW HAMPSHIRE

- 27 **New Hampshire April 29, 1780 \$1 Very Fine.** Hole cancelled, a few minor splits repaired on the back. (150-up)

- 28 **New Hampshire April 29, 1780 \$8 New.** This hole cancelled New Hampshire has a little something extra going for it. One of its signers was Joseph Pearson, who has signed in bright red ink. In very small script in the right margin of the note is the hand written inscription "Presented to Union College Museum by Jonathan Pearson 1843". (400-up)
- 29 **New Hampshire.** Three notes from the April 29, 1780 Guaranteed Issue: \$1 Choice Very Fine, \$5 Very Fine, and \$4 About New but with one rounded corner. (3 pieces) (450-up)

- 30 **New Hampshire December 6, 1800.** A Revenue Note made out to Joseph Pearson in the amount of two hundred dollars "in part of salary". This note is signed by John Taylor Gilman as Governor and is signed on the back, "Received the contents Joseph Pearson". Since John Gilman was a signer of the guarantee on the April 29, 1780 New Hampshire Notes and Joseph Pearson was one of the three signers for the State on the same issue, it is not too much of a leap of faith to presume that this note may be somehow related to the issuing of New Hampshire currency. Extra Fine, hole cancelled with a few stamp hinges on the back. (400-up)

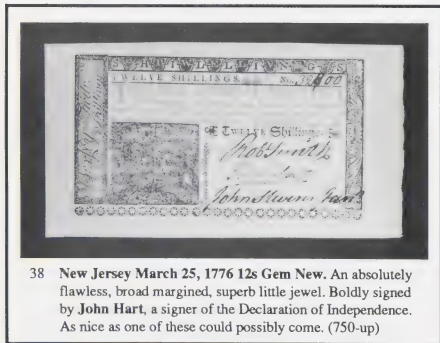

## NEW JERSEY

- 31 **New Jersey June 22, 1756 15s Choice New.** Very attractive example of this scarce issue. While the margins are somewhat tight, they are far more generous than normally seen. (200-up)

- 32 **New Jersey April 12, 1760 6£ Very Fine.** The grade of Very Fine does not begin to do this note justice. Although the corners are rounded there is no damage of any kind and the serial number, all three signatures, and every word of the text is bold and clear. The New Jersey Coat-of-Arms is so sharp as to have a three dimensional life-like appearance. This is the best looking pound denomination note we've ever seen on these attractive early Jersey issues. (225-up)
- 33 **New Jersey April 8, 1762 6£ Fine.** A relatively high grade survivor from the small issue of only 1,219 notes. (100-up)
- 34 **New Jersey December 31, 1763 18d Choice New.** A far nicer example than the borderline New notes that are usually seen. (125-up)
- 35 **New Jersey December 31, 1763 3s Choice New.** (100-up)
- 36 **New Jersey March 25, 1776 6s Gem New.** A most attractive example of this common but always popular issue. (125-up)
- 37 **New Jersey March 25, 1776 6s Extra Fine.** Signed by **John Hart**, a signer of the Declaration of Independence. (150-up)

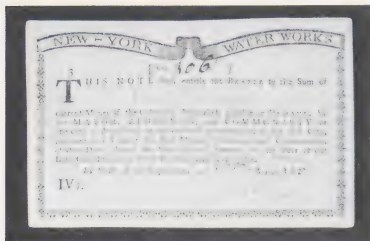

- 38 **New Jersey March 25, 1776 12s Gem New.** An absolutely flawless, broad margined, superb little jewel. Boldly signed by **John Hart**, a signer of the Declaration of Independence. As nice as one of these could possibly come. (750-up)

### REMINDER

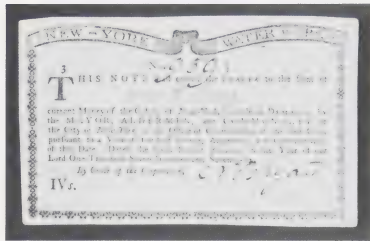

**A 10% buyers' fee will be added to all successful bids.**

## NEW YORK

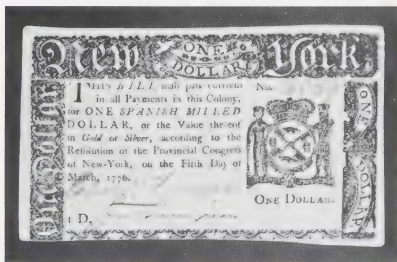

- 39 **Three New York Notes.** August 2, 1775 2s Waterworks Issue **Extra Fine**, stained at the left; March 5, 1776 4s Waterworks Issue **Choice New**; March 5, 1776 \$2/3 attractive **Very Fine**. (3 pieces) (250-up)

- 40 **New York January 6, 1776 4s Choice New.** A lovely example of a Waterworks Note with exceptional margins and strong signatures. (225-up)

- 41 **New York January 6, 1776 4s Gem New.** A lovely, bright example of the Waterworks Issue. (250-up)

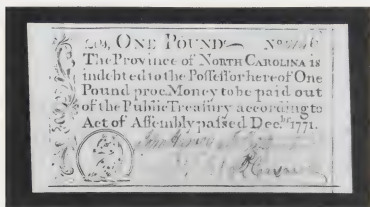

- 42 **New York March 5, 1776 \$1 About New.** A stunning example, deeply printed and boldly signed. Very well margined. (125-up)

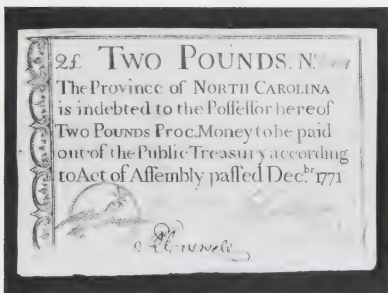

- 43 **Three Choice Waterworks Notes.** January 6, 1776 2s Choice New, clean and attractive with strong signatures. March 5, 1776 4s Choice New, also clean and attractive but cut a bit tighter than the previous note. March 5, 1776 8s Choice New, again a perfectly clean and bright note but tightly margined. (3 pieces) (600-up)

## NORTH CAROLINA

- 44 North Carolina July 14, 1760 10s Very Good. A nice example of this scarce issue. (150-up)

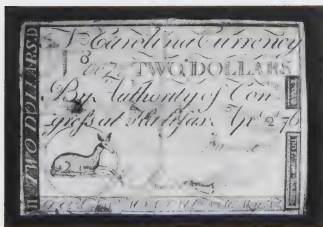

- 45 North Carolina December, 1771 1£ Gem New. A superb, fully margined beauty. All four signatures are strong and clear. Totally defect free. (300-up)

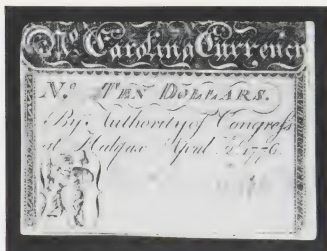

- 46 North Carolina December, 1771 2£ Extra Fine. Boldly printed with four good signatures, this very attractive note would be a wonderful addition to a high-grade Thirteen Colony Set. Two tiny repaired edge splits are the only defect. (250-up)

- 58 Pennsylvania April 25, 1759 20s Fine. Beginning to split along the horizontal center fold, the note is otherwise solid and complete. All three signatures and every word of the text are legible. "Printed by B. Franklin" is sharp and clear. (125-up)

## FRACTIONAL CURRENCY FIRST ISSUE

- 74 **Fr. 1230 5¢ First Issue Vertical Strip of Four.** All the notes and the strip itself grade **New**. It is quite unusual to find a four subject strip that has never been folded. (100-up)

- 75 Fr. 1240 10¢ First Issue Choice New+. Fully perforated on all four sides. (100-up)

- 76 Fr. 1281-SP Wide Margin Pair Gem New. Superb! An absolutely perfect wide margin pair; fully bright and extra wide. Original paper surface is just super in every way. (2 pieces) (600-up)

## SECOND ISSUE

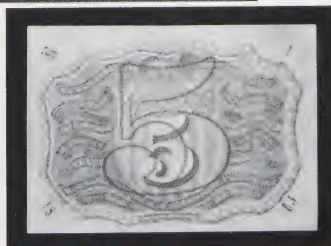

- 81 **Fr. 1233 5¢ Second Issue Fine.** Inverted reverse surcharges. Less than ten known of this note. Second Issue Fractional Inverts are more popular with collectors than First Issue as the inverted surcharge makes such an obvious appearance. Some pinholes and a small tear along with a penned inventory number somehow seem to add to the charm of this little note. (200-up)

- 83 **Fr. 1249 10¢ Second Issue Gem New.** This fiber paper note is truly rare in this grade. The printing quality is excellent; the green back being particularly sharp and clear. This is the best one of these we've handled in years. (400-up)

- 84 **Fr. 1289 25¢ Second Issue Choice New.** Two tight and two large Face margins, the Back is perfectly centered with the surcharges bright and clear. This rare fiber paper note is usually found weakly printed. The printing on this note, both Face and Back, is near proof quality. (150-up)

86 **Fr. 1322 50¢ Second Issue Fiber Paper.** This attractive, well margined, **Choice New** Note is the most readily available of all fiber paper notes, but it's a scarce item in this grade. (150-up)

## SECOND ISSUE-EXPERIMENTAL NOTES

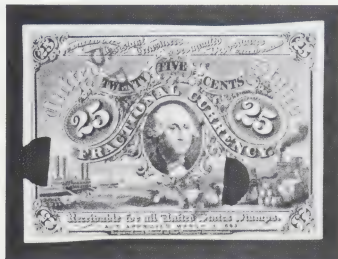

87 **Experimental 5¢ Second Issue Choice New.** V-205, Milton 2E5R.1a. A rarity 6 Experimental Note, the type of Fr. 1235. The entire Face is blank and the bronze is missing from the Reverse. Cut horizontally and backed at the Treasury. (200-up)

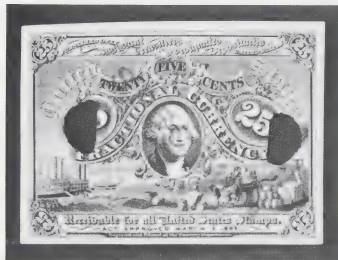

88 **Experimental 10¢ Second Issue Gem New.** V-212, Milton 2E10F.2a. The type of Fr. 1249 but with the entire Reverse blank and lacking the bronze oval on the Face. A very rare note and in the ultimate condition. (350-up)

89 **Experimental 10¢ Second Issue Choice New.** V-214, Milton 2E10F.4. The type of Fr. 1249 but with the entire Reverse blank. A much scarcer denomination. Very minor damage at the extra wide upper corner. (300-up)

90 **Experimental 25¢ Second Issue Choice New.** V-218, Milton 2E25F.3b. The type of Fr. 1283 with the entire Reverse blank and lacking the bronze oval on the Face. Printing extremely sharp and clear. (200-up)

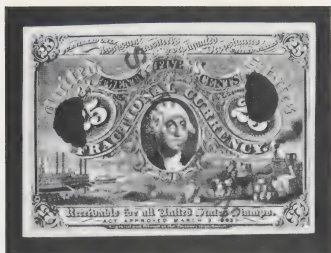

91 **Experimental 25¢ Second Issue Choice New.** V-219, Milton 2E25F.3c. The type of Fr. 1283 with the entire Reverse blank and lacking the bronze oval on the Face. By far the most common Experimental Note. (150-up)

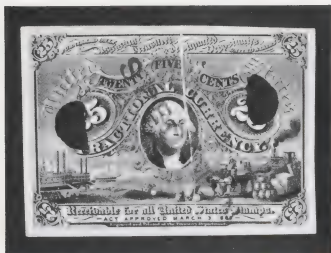

### REMINDER

**A 10% buyers' fee will be added to all successful bids.**

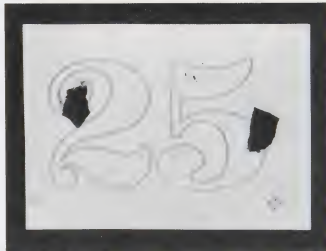

- 92 **Experimental 25¢ Second Issue Gem New.** V-237, Milton 2E25F.6. The type of Fr. 1286 missing only the Reverse engraving, the bronze being present on both sides. If you want only one Experimental to complement your collection, this little gem would be ideal. (250-up)

- 93 **Experimental 25¢ Second Issue Gem New.** V-237, Milton 2E25F.6. The type of Fr. 1286 missing only the Reverse engraving, the bronze being present on both sides. This Error Experimental has a gutter fold through the center which had opened before the bronze was applied; interesting and very rare. (300-up)

- 94 **Experimental Set 25¢ Second Issue Gem New.** V-Unl, Milton 2E25F.4; V-236, Milton 2E25F.5; V-237, Milton 2E25F.6. Type of Fr. 1283, 1284 and 1286; all missing only the Reverse engraving. The full Face engraving is present along with the full bronzing on both sides. All three notes are Superb Gem New. The Valentine 237 is relatively common,

the Valentine 236 is rare, and the Valentine - Unl, (Milton 2E25F.4) is very rare with only 5 pieces known. As a three note set in Superb matched Gem condition this lot is irreplaceable. (3 pieces) (1500-up)

## REMEMBER

**SIGN YOUR BID SHEET!**

- 95 **Experimental 50¢ Second Issue New.** V-225, Milton 2E50F.4a. The type of Fr. 1320-22 with the entire Reverse blank and lacking the bronze oval on the Face. A scarcer denomination. (225-up)

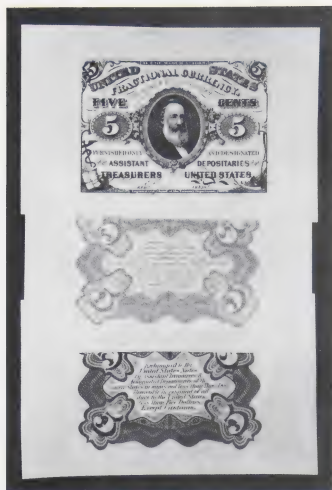

- 96 **Experimental 50¢ Second Issue Pair Gem New Superb.** V-223, Milton 2E50F.4 and V-227, Milton 2E50R.3. Type of Fr. 1320-22. Both the Face and Back are uniface with no bronze. - 98 **Fr. 1226 3¢ Third Issue Vertical Strip of Four.** All four of the notes grade New. The strip is folded between the notes. (100-up)
- 99 **Ten 3¢ Notes, Some with Partners.** Fr. 1226 3¢ Third Issue; a single note, a vertical pair, a vertical strip of three and a vertical strip of four. Nine of the ten notes are **New**, the one exception being **About New**. Only the pair is folded between the notes. (10 pieces) (300-up)

**WE ARE NOW ACCEPTING  
CONSIGNMENTS FOR OUR  
WINTER OF 1992  
PUBLIC AUCTION!**

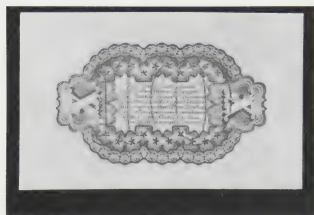

- 100 **Fr. 1236/8-SP Wide Margin Set of Three Gem New.** This Clark Face and the Red and Green Backs all exhibit full natural color. A pleasant threesome. (3 pieces) (450-up)

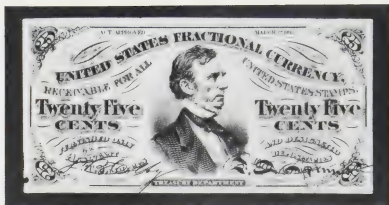

- 101 **Fr. 1237 5¢ Third Issue Choice New.** This error note has a fold-out corner tip at the lower left. While not a major error, all paper errors on Fractional Currency are quite rare. (150-up)

- 102 **Fr. 1253-SP Wide Margin Pair Gem New.** An unusual grade for any wide margin pair, particularly a hand-signed

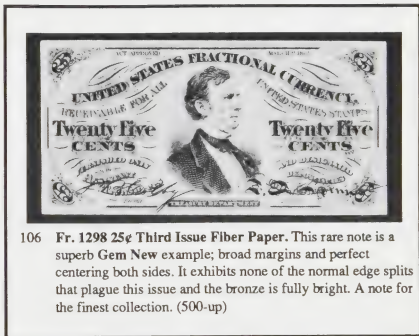

pair where the ink tends to crack the very thin paper. This exceptional pair exhibits no defects whatever. (2 pieces) (500-up)

105 Fr. 1292 25¢ Third Issue Gem New. Beautifully bright and well centered both face and back, this red back Fessenden is a true rarity in this grade. (300-up)

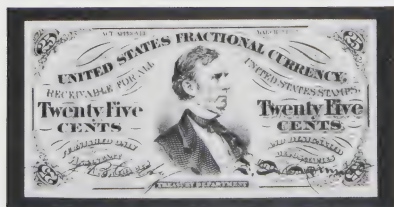

103 Fr. 1251/5-SP Wide Margin Set of Three Gem New. Exceptionally wide margins, particularly so on the Red Back. A scarce and lovely set. (3 pieces) (500-up)

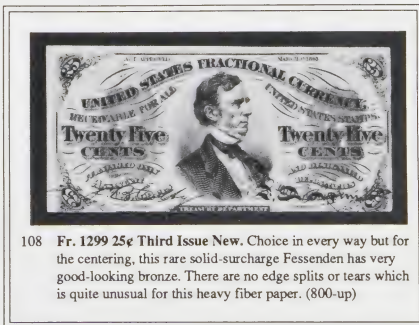

106 Fr. 1298 25¢ Third Issue Fiber Paper. This rare note is a superb Gem New example; broad margins and perfect centering both sides. It exhibits none of the normal edge splits that plague this issue and the bronze is fully bright. A note for the finest collection. (500-up)

107 Fr. 1298 25¢ Third Issue New. A decent example of this scarce fiber paper note. (175-up)

104 Fr. 1291 25¢ Third Issue Gem New. Superb from the face, the only flaw on this note is a minor ink smear on the perfectly centered back. (150-up)

108 Fr. 1299 25¢ Third Issue New. Choice in every way but for the centering, this rare solid-surcharge Fessenden has very good-looking bronze. There are no edge splits or tears which is quite unusual for this heavy fiber paper. (800-up)

109 Fr. 1327 50¢ Third Issue Very Choice New. Exceptionally bright bronze and strong printing. A hair of margin away from full Gem. (175-up)

- 110 Fr. 1342 50¢ Third Issue Spinner Type II Choice New+. Beautiful, bright example of this scarce note. Three huge margins with the right margin being smaller but still adequate. (225-up)

- 111 Fr. 1343 50¢ Third Issue Gem New. A true Gem Red Back Justice; bright bronze, excellent inking, no smears at all, full color, and margins all the way around. Justices are very underrated in this grade. (650-up)

- 112 Fr. 1348 50¢ Third Issue Justice Choice About New. A very rare and very attractive Justice Note. Large top margin and three small margins, but nonetheless, margin all the way around. Excellent color and bright bronze. Seldom available in any grade. (750-up)

- 113 Fr. 1357 50¢ Third Issue About New. A very good looking, well margined example of this fiber paper, hand signed note. (250-up)

- 114 Fr. 1371 50¢ Third Issue Justice Extra Fine. One of the rarest regular issue Justice Notes; this fiber paper "1" and "a" note is tightly margined and somewhat weakly printed at the top and left edge as is common for notes of this issue. However, it is often decades between offerings of this Friedberg number in this high a grade. (750-up)

- 115 Fr. 1371 50¢ Third Issue Extra Fine. The grade refers to the note minus its problem. The upper left corner area has been broken off and restored. The restoration is barely visible from the face but the back bears two brown stains from the two pieces of tape that originally held this note together. The tape has since been removed but the stains remain. Nonetheless, this is an extremely rare note and it would be a handsome addition to any Fractional Collection as long as it is not turned over. (500-up)
- 116 Three Fiber Paper Justice Notes. The first is Fr. 1357; hand-signed red back with the S-2-6-4 surcharge, in Extra Fine with a stain on the back. The second note is Fr. 1370 Choice About New and very well centered but a small corner tip missing. The third note is a very rare Fr. 1372 in About New grade. A most unusual group. (3 pieces) (400-up)

## FOURTH ISSUE

- 117 Two 15¢ Notes. Both are Fr. 1267, one is Very Fine and the other is Choice About New. (2 pieces) (65-up)
- 118 Fourth Issue Fifty Cent Notes. Fr. 1374 Lincoln About New; Fr. 1376 Stanton About New; and Fr. 1379 Dexter Extra Fine. (3 pieces) (100-up)
- 119 6 Fourth Issue Notes. Ten Cent Notes (4) Fr. 1257 About New, 1257 Extra Fine, 1259 About New and 1259 Fine. Twenty-Five Cent Fr. 1303 New and a Fifty Cent Lincoln Fr. 1374 Very Fine. (6 pieces) (150-up)

## FIFTH ISSUE

- 132 **Three Fractional Association Items.** A series 1891 Tobacco Stamp for 10 pounds of tobacco; printed by the Bureau of Engraving and Printing. This note size stamp has the portrait of William Fessenden on it, the same portrait that appears on the twenty-five cent third-issue note. The second item is a June 30, 1825 check drawn on the Schuylkill Bank in Philadelphia. It is written and signed by William Meredith whose portrait appears on the ten cent, Fifth Issue Fractional Note. **\$10.00 Ty. 1 Second NB Paterson, NJ Ch. # 810. Double Overprint. About Uncirculated.**

A fascinating pair of errors from the same city. The first note is a replacement where the original (non-inked) charter and serial number is still visible on the right side under the replacement stamped numbers. The second note is even more dramatic, with the entire black overprint (title, charter numbers, and bank signatures) printed on top of the outlines of a prior printing which was not inked. In all of our years of dealing in nationals, we have seen only one other error such as this. (2 pieces) (300-500)

443 **No lot.**

- 444 Fr. 1613 \$1.00 1935-D Silver Certificate. Inverted Third Printing. About Uncirculated.

A dramatic early error, far scarcer on silver certificates than on modern Feds. (125-225)

- 445 Fr. 2075-D \$20.00 1985 Federal Reserve Note. Gem Crisp Uncirculated.

An incredible error, in which the paper split and tore off after the second printing, with the third printing placed on the thinner area as well as the normal portion of the note. This beautiful note is as dramatic as they come and will be a highlight in any error collection. (300-500)

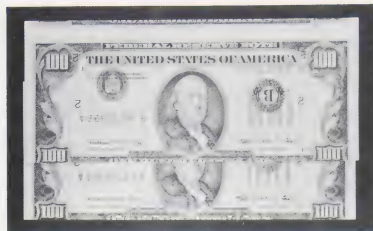

- 446 Fr. 1913-H \$1.00 1985 Federal Reserve Note. Choice Crisp Uncirculated.

An interesting double error, with the third printing inverted and the note being cut so far off center that a piece of the above note shows. (150-250)

- 447 Fr. 2172-B \$100.00 1988 Federal Reserve Notes. Extremely Fine, a few pinholes.

A set of three pieces, each with progressively less printing visible on the reverse. (3 pieces) (450-750)

- 448 Fr. 2172-B \$100.00 Federal Reserve Notes. Extremely Fine-About Uncirculated, a few pinholes.

A pair of errors, both with inverted third printings and printed off center as well. This type of error on high denominations is scarce. (2 pcs.) (400-600)

- 449 Fr. 1975-B \$5.00 1977-A Federal Reserve Note. Gem Uncirculated.

A rare multi-stage printing error, where the fold was overprinted with both the second and the third printings. This is a beautiful and dramatic item. (175-250)

## MILITARY PAYMENT CERTIFICATES

- 461 **Series 681 \$20 Replacement Note Extra Fine.** This Replacement Twenty was also a late Redemption. The tardy SP/4 Billy L. Gibson, has turned this note in late requiring his name, serial number, and military address. An attractive and doubly interesting note. (300-up)

- 462 **Large Grouping of MPC. Series 472: 5¢. Series 541: 5¢ and 10¢. Series 611: 5¢. Series 641: 5¢ (6), 10¢ (5); 25¢ (2), 50¢ (2), and \$1. Series 651: \$1. Series 661: 5¢, 10¢, 25¢, 50¢, \$1 and \$5. Series 681: 5¢ (2), 10¢ (2), 25¢ (2), 50¢ (2), \$1. (2). Series 692: 10¢. All but two notes are Gem New; Series 641 is Extra Fine and Series 641 25¢ is Extra Fine. (38 pieces) (250-up)**

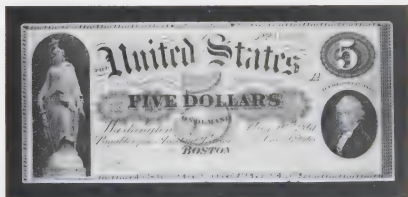

## LARGE SIZE TYPE NOTES

### DEMAND NOTES

- 463 **Fr. 1 \$5 1861 About New.** A wonderful grade for a Demand Note! Bright green ink color face and back; printing is exceptionally clear and bold. Although this is not a rare note in low grade, it is decidedly rare in this grade. Three good margins, the right face margin touches the design. (3,500-up)

- 464 **Fr. 1 \$5 1861 Fine.** No flaws or repairs, this well-margined note is clean and attractive for the grade with good color and strong signatures. (1,000-up)

- 465 **Fr. 3 \$5 1861 Very Good.** Some soiling on the back and two small splits in the top margin; otherwise perfect for the grade with strong pen signatures. (500-up)

## LEGAL TENDER NOTES

- 466 **Fr. 16 \$1 1862 Gem New.** Although this is a fairly common type note, it is virtually never seen in gem condition. This one surpasses all the requirements. It is broad-margined, very brightly colored and perfectly centered both face and back. They simply don't come better than this. (800-up)

- 467 **Fr. 16 \$1 1862 Choice New.** Super color and very nice margins. (450-up)

- 468 **Fr. 16 \$1 1862 Choice New.** Great color and decent margins. (450-up)

- 471 **Fr. 16 \$1 1862 Choice Very Fine.** Well-margined and with strong colors. The extra-wide top margin contains plate number 40 in mirror image. (125-up)

- 473 **Fr. 18 \$1 1869 Choice New.** A pretty Rainbow Note that is kept from Gem by a slight tightness at the upper left. (700-up)

- 474 **Fr. 18 \$1 1869 New.** Excellent color but very tightly margined all the way around. (400-up)

- 475 **Fr. 20 \$1 1875 Very Choice New.** A Gem but for a light area of discoloration. (200-up)

- 478 **Fr. 27 \$1 1878 Choice New.** (225-up)

- 479 **Fr. 30 \$1 1880 Choice Extra Fine.** A striking totally original note that appears Gem from the face. (75-up)

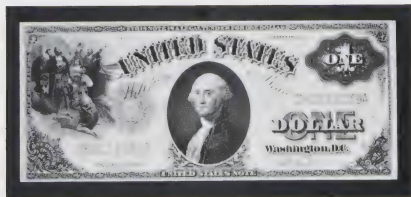

- 480 **Fr. 32 \$1 1880 Choice New.** A beautiful example of this very rare note. This would be a perfect Gem with just a hair more margin at the upper right. I have always found this large brown seal, deep blue serial number combination to be one of the most attractive of any note. This combination of rarity and great quality is seldom seen and will be hotly pursued at this sale. (2000-up)

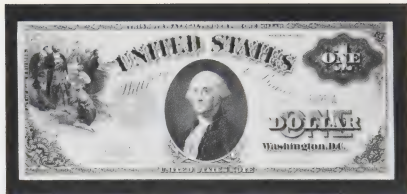

- 481 **Fr. 34 \$1 1880 Gem New.** Superb! Fully margined, perfectly bright; a highly desirable type note. (275-up)
- 482 **Fr. 34 \$1 1880 Gem New.** A striking example of this attractive note. Very sharp printing quality and good color. (250-up)

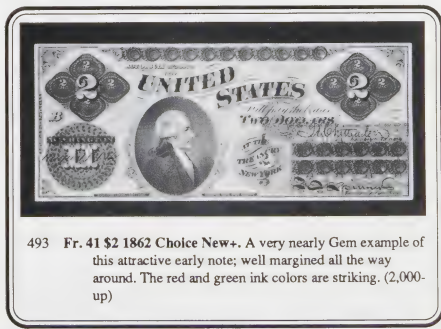

**REMEMBER!**

- 484 **Fr. 36 \$1 1917 Choice New.** (80-up)

- 485 **Fr. 36 \$1 1917 Choice New.** Attractive low serial No. B95A. (300-up)
- 486 **Fr. 37 \$1 1917 Choice New+.** A beautiful note with far better than average margins. Slightly tight at the upper right, otherwise a full Gem. (100-up)
- 487 **Fr. 37 \$1 1917.** Two notes; one Choice About New and the other New. (2 pieces) (115-up)
- 488 **Fr. 37a \$1 1917 Choice New.** A lovely example of the rare transposed signature variety reading Burke/Elliott. (300-up)
- 489 **Fr. 40 \$1 1923 Gem New.** A lovely example. (200-up)
- 490 **Fr. 40 \$1 1923 Choice New.** Very nearly Gem. (185-up)
- 491 **Fr. 40 \$1 1923 Choice New.** (150-up)
- 492 **Fr. 40 \$1 1923.** Two notes, one Choice About New and the other New. (2 pieces) (150-up)

- 493 **Fr. 41 \$2 1862 Choice New+.** A very nearly Gem example of this attractive early note; well margined all the way around. The red and green ink colors are striking. (2,000-up)
- 494 **Fr. 41 \$2 1862 Very Fine.** An attractive, evenly circulated example of our country's earliest two dollar bill. (200-up)

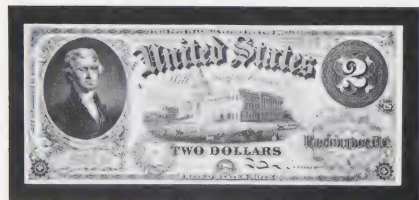

- 495 **Fr. 42 \$2 1869 Very Choice New.** Extremely close to Gem! This note is rarely seen in very high grade. The color is bold and bright, the paper quality is excellent and the note is well centered on both sides. (1750-up)

- 496 **Fr. 42 \$2 1869 Choice Extra Fine.** Excellent color and very large margins. An original note in the perfect collector grade, it appears Gem New at a glance. (550-up)

- 497 **Fr. 42 \$2 1869 About Very Fine.** Good color remains on this evenly circulated note. The historic inscription on the back adds considerable interest and reads as follows: "This bill was carried away from New York in the steamship Cuba, Cunard Line May, 1871, and carried thus; England, Holland, France, Germany, Switzerland and Italy by E.B. and back again to New York in the Steam Ship, Idaho of the Grace Line, which left Liverpool, Wed. Oct. 9, 1872." Without this great inscription, the note would be worth approximately \$250.; it's surely worth much more, how much more is up to you! (?)

- 498 **Fr. 43 \$2 1874 Gem New.** A very scarce type note in all grades, this particular example has the added interest of its seal and embellishment being a distinct mahogany-brown. Considered by some to be a separate variety, we feel that this color was brought about by a chemical

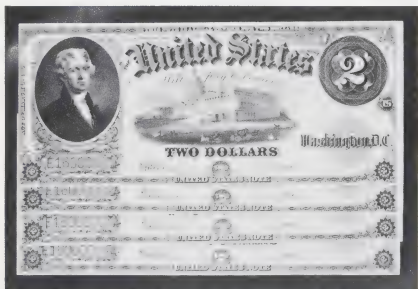

reaction between the seal plate ink and the sizing compound. This identical color appears on the so-called brown seal Fractional Notes that were produced during the same period as the present note. Nonetheless, whether it is an identical or accidental Bureau variety, the note is strikingly attractive. (800-up)

- 499 **Fr. 48 \$2 1878 Choice New+.** A very close to Gem example of this tough note. Like the Fr. 43 above, this note is enhanced by purple-brown seal and embellishments. (500-up)

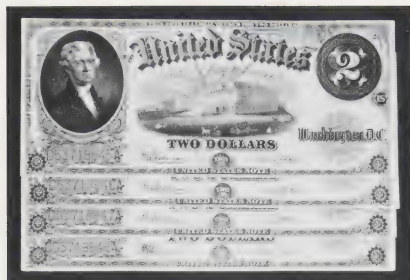

- 500 **Fr. 50 \$2 1880 Gem New.** Bright colors highlight this fully original example of this scarcer signature combination. (325-up)

- 501 **Fr. 50 \$2 1880.** Two notes; one is **Extra Fine** and the other **Choice About New.** (2 pieces) (175-up)

- 502 **Fr. 60 \$2 1917 Cut Sheet of Four Choice New+.** This very good looking, boldly printed cut sheet features interesting and desirable serial numbers E16000001A through E16000004A. These numbers add a lot of eye appeal to the notes. (4 pieces) (800-up)

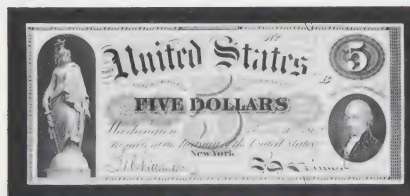

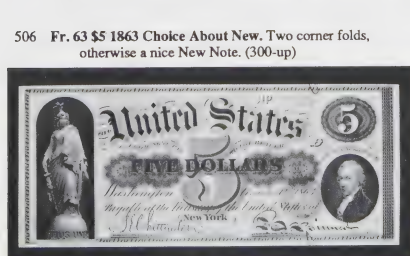

503 Fr. 60 \$2 1917, Cut Sheet of four, Choice New. A pretty cut sheet with better than average centering for this issue. (4 pieces) (400-up)

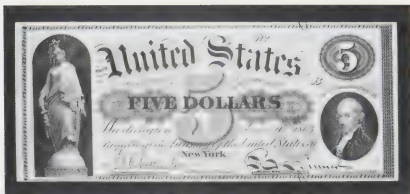

504 Fr. 61a \$5 1862 Choice New. Very high grade for this "First Obligation" Legal Tender Five. Just a hair of bottom margin away from the full Gem grade. (800-up)

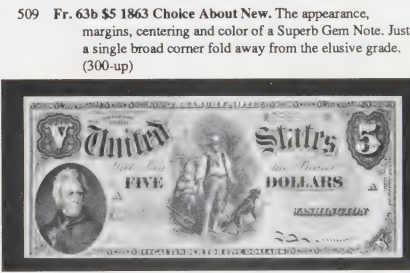

505 Fr. 61a \$5 1862 Choice New. Lots of original crackle to the paper and bold, sharp printing on this early bill. (500-up)

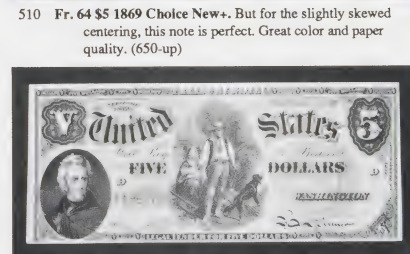

506 Fr. 63 \$5 1863 Choice About New. Two corner folds, otherwise a nice New Note. (300-up)

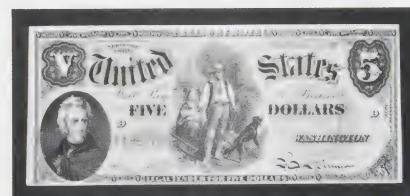

508 Fr. 63a \$5 1863 Choice New+. Excellent color, deep original embossing and a Gem but for a bit of tightness at the lower left. (600-up)

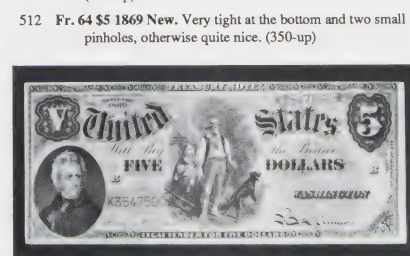

509 Fr. 63b \$5 1863 Choice About New. The appearance, margins, centering and color of a Superb Gem Note. Just a single broad corner fold away from the elusive grade. (300-up)

510 Fr. 64 \$5 1869 Choice New+. But for the slightly skewed centering, this note is perfect. Great color and paper quality. (650-up)

511 Fr. 64 \$5 1869 Choice New. A very attractive Rainbow Five. (600-up)

512 Fr. 64 \$5 1869 New. Very tight at the bottom and two small pinholes, otherwise quite nice. (350-up)

513 Fr. 64 \$5 1869 New. An attractive note that would grade higher but for the tight top margin. (350-up)

- 514 Fr. 64 \$5 1869 Choice About New. A would be Gem but for two corner folds. (325-up)

- 515 Fr. 69 \$5 1878 New. A good looking example of this scarcer pioneer note. (300-up)

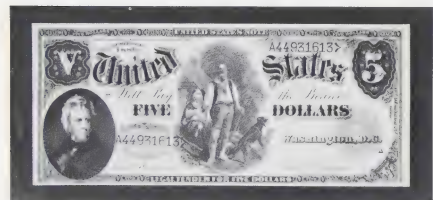

- 516 Fr. 72 \$5 1880 New. (150-up)

- 517 Fr. 73 \$5 1880 Gem New. Well centered with deep, original embossing. (800-up)

- 518 Fr. 79 \$5 1880 Gem New. Superb! A letter perfect example of this type. (350-up)

- 519 Fr. 81 \$5 1880 Very Choice New. Just a touch of bottom margin away from Gem. (225-up)

- 520 Fr. 83 \$5 1907 Gem New. A lovely "Pioneer" five with a scarce signature combination. (175-up)

- 521 Fr. 84 \$5 1907 Choice About New. (75-up)

- 522 Trio of Pioneers. Fr. 85 1907 New; Fr. 88 1907 New; and Fr. 91 1907 Choice About New. (3 pieces) (225-up)

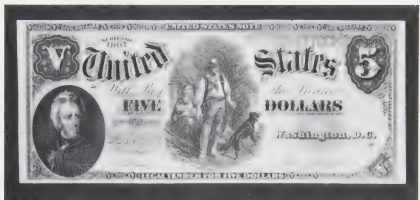

- 523 Fr. 85 \$5 1907 Gem New. Generous margins, rich, deep color and perfect paper originality. Not a rare note, but this one is truly Superb. (225-up)

- 524 Fr. 85 \$5 1907 Choice About New. (60-up)

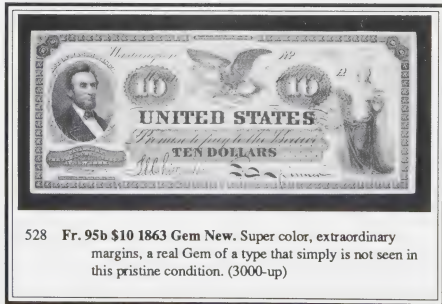

- 525 Fr. 86 \$5 1907 Extra Fine. The scarce Napier/Thompson signature combination. (250-up)

- 526 Fr. 86 \$5 1907 Very Fine. Another Napier-Thompson signature combination. This example, while technically Very Fine, has the appearance of an About New note from the face. (200-up)

- 527 Fr. 90 \$5 1907 Choice New. (130-up)

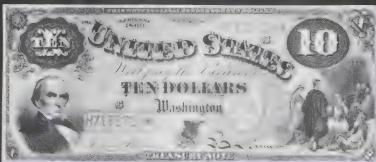

- 528 Fr. 95b \$10 1863 Gem New. Super color, extraordinary margins, a real Gem of a type that simply is not seen in this pristine condition. (3000-up)

529 Fr. 96 \$10 1869 Gem New. Excellent margins and centering, bright color and a perfectly centered back. (1800-up)

530 Fr. 96 \$10 1869 Gem New. Bright ink colors and huge margins all the way around highlight this extremely attractive Rainbow Ten. Perfectly centered on both sides. (1800-up)

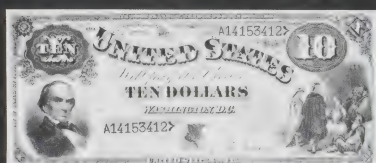

531 Fr. 96 \$10 1869 Choice New. Deep, bold color highlight this fully original beauty. (1200-up)

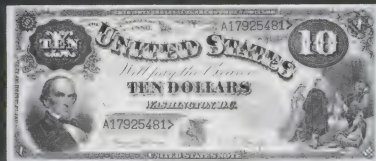

532 Fr. 103 \$10 1880 Gem New. A true Gem; wonderful margins and centering, heavy and original embossing, and great color. Lot #1097 of our November Sale was a Choice New example of this same note, which brought \$700, with a tight bottom margin. This full margined beauty should bring at least... (1200-up)

533 Fr. 107 \$10 1880 Choice New+. A beautiful and under rated note. This peach colored seal \$10 "Jackass" Note is seldom seen in any grade. This example is fully original and would be a Gem with just a hair more margin at the top right. (1000-up)

534 Fr. 110 \$10 1880 Gem New. A perfect "Jackass" type note. (700-up)

535 Fr. 111 \$10 1880 Choice New. A lovely type example with bright colors and good originality. (500-up)

536 Fr. 114 \$10 1901 Choice New. Excellent margins; a Gem but for very light paper toning. (1000-up)

537 Fr. 119 \$10 1901 Choice New. This lovely Bison is very nearly a Gem. (1000-up)

538 Fr. 119 \$10 1901 Very Choice New. A bit close at the bottom; otherwise this attractive Bison would be fully Gem. (1000-up)

539 Fr. 121 \$10 1901 Very Fine+. Exceptionally large margins and excellent color. The grade appears much higher unless examined closely. (250-up)

540 Fr. 122 \$10 1901 Very Good. The red overprint is very bold for a note in this grade. No flaws, just honest circulation. (100-up)

541 Fr. 122 \$10 1901 Choice Very Fine. Bright well-margined and appealing. (250-up)

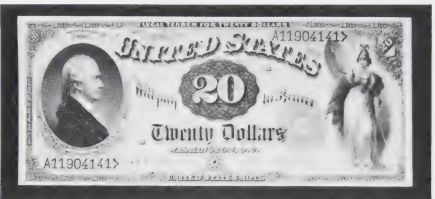

542 Fr. 123 \$10 1923 Gem New. A consecutive pair. Excellent margins, perfect color, deep heavy originality; all the qualifications of perfect Gem Notes. We can never recall seeing two consecutive notes of this rare type. It's quite unusual for this difficult type to appear in this grade. A consecutive pair could be a magnificent addition to the most advanced of collections. (2 pieces) (6500)

543 Fr. 126b \$20 1863 New. Very close to Choice New, this note exhibits better than average centering and far nicer than average color. (1750-up)

544 Fr. 126b \$20 1863 Fine+. As attractive a note as could possibly be in this grade. Wonderful strong color, huge margins and absolutely no flaws. (500-up)

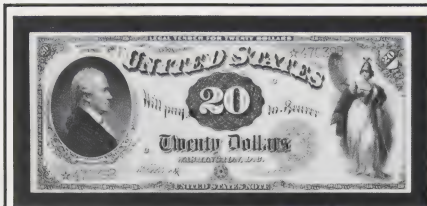

545 Fr. 142 \$20 1880 Gem New. A glorious example of this difficult note. Full fat margins, crispy paper, sharp corners and excellent color. When this note is seen in high grade it is unusually flat and lifeless. This note is a happy exception with original crackling and rippling paper. (1000-up)

**THINKING OF SELLING?**  
**Contact Currency Auctions**  
**of America, Inc. and ask about**  
**our Winter 1992 Sale.**

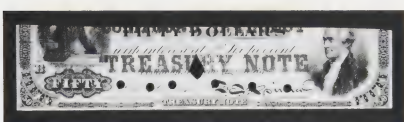

546 Fr. 147 \$20 1880 Very Fine+. Well margined and quite clean. (175-up)

- 547 Fr. 147 \$20 1880 Choice New. A lovely, near Gem example of this elusive type. (700-up)

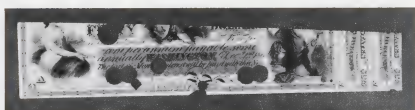

- 548 Fr. 147 \$20 1880 Star Choice Extra Fine. Three light folds are all that keep this note from being graded Choice New. The appearance is fully Choice New unless the folds are carefully hunted down. (1000-up)

## COMPOUND INTEREST TREASURY NOTE

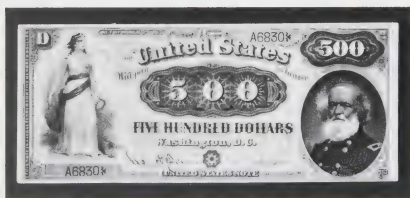

- 550 Fr. 192-b \$50 1864 Compound Interest Treasury Note. A hole cancelled severed bottom half of this rare note. Severed bottom halves of Interest Bearing and Compound Interest Notes are occasionally seen although they are usually of lower denominations. It appears as though these were cut, cancelled and saved by the Treasury for some record keeping purpose after redemption. This bottom portion grades Extra Fine and would make an interesting addition to a specialized collection as only 12 whole notes are known. (300-up)

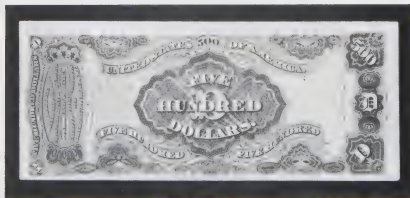

## INTEREST BEARING NOTE

## NEWLY DISCOVERED 1878 \$500

- 549 Fr. 185d \$500 1878 Very Fine. A newly discovered example of this ultra rare type. This brings the known population to five, one of which is in the Smithsonian Institution, forever out of reach to collectors. This piece compares favorably to the Extra Fine example which was offered

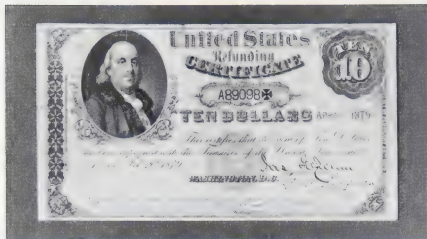

publicly in the weak 1983 market at \$55,000. It is clearly far superior to the example graded Fine and sold in the 1983 HIM Memphis auction for \$28,000. It may be many years into the future before an opportunity to own this rarity again arises. (40000-up)

- 551 Fr. 203 (a?) \$50 Interest Bearing Note 2 Years. This is the bottom half of an unlisted \$50 Interest Bearing Note. At a glance it appears to be Fr. 203 but it is not. Fr. 203 reads "with interest at 5% per annum payable at maturity Washington." This note reads "with interest at 5% per annum payable semi-annually December 1, 1863. The last 6 months interest will be paid with this note." The present note has two of its three coupons remaining. The grade is About New with several hole cancels. Hessler lists in his "An Illustrated History Of U.S. Loans," the two year Interest Bearing Notes as "X138." His "X138A" (945c) apparently is Fr. 203 of which 136,000 were issued, 115 are outstanding and 4 are known (Generke lists 6); these have no coupons. Hessler's "X138B" (945d) with 118,112 issued, 38 outstanding and none known is listed as having coupons and is apparently this note. It appears that this note should be listed in Friedberg as Fr. 203a. Since this is a discovery note, it is extremely desirable to the serious collector or researcher even though only the bottom half of the note is present. Impossible to estimate. . . . (?)

600 Fr. 237 \$1 1923 Cut Sheet of Four Choice New. An appealing cut sheet. (200-up)

- 601 Fr. 237 \$1 1923 Extra Fine. Very low serial number V8B. (125-up)
- 602 Fr. 238 \$1 1923 Gem New. Four consecutive notes from this common issue, however, they are particularly nice. (4 pieces) (225-up)
- 603 Fr. 239 \$1 1923 Gem New. A beautiful pristine example of this much scarcer note. These are always overlooked due to the extreme commonness of the type; but the Woods/Tate signature combination is a scarce and desirable note. (225-up)
- 604 Fr. 239 \$1 1923 Choice New. Two consecutive examples of this much rarer signature combination. (500-up)

## \$2 SILVER CERTIFICATE TYPE SET

- 606 Fr. 242 \$2 1886 Gem New. A Superb note. While nice Hancock notes are not too hard to find, this one is that extra step up. Margins, color, paper quality are all at their very best. (1300-up)

- 607 Fr. 242 \$2 1886 Choice New+. If the margins were a bit more generous, this one would be a Gem! Deeply original and exceptional in every other way. (850-up)

- 608 Fr. 243 \$2 1886 Choice About New. A beautiful note with just a few corner folds that keep it from Choice New. (500-up)

- 605 \$2 Silver Certificate Type Set. A beautiful complete type set of two dollar Silver Certificates. Fr. 242 1886 Gem New, a gorgeous Hancock; Fr. 246 1891 Choice About New, the appearance of a Gem making this a really nice looking Window; Fr. 247 1896 Gem New, a stunning Educational Deuce which should be sold by itself as should the Hancock above but was kept as a set at the consignor's request; and finally a Fr. 249 1899 Choice New+. (4 pieces) (4250-up)

- 609 Fr. 245 \$2 1891 Very Choice New. A touch more bottom margin and this attractive Window would be fully Gem. (1800-up)

- 610 Fr. 246 \$2 1891 Gem New. Perfect centering, great color, and deep original embossing; this note has all the right ingredients. (2750-up)

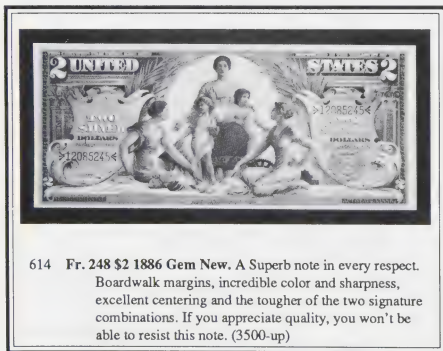

- 611 Fr. 246 \$2 1891 Fine+. A decent circulated Windom. (140-up)

- 612 Fr. 247 \$2 1896 Gem New. A perfect gem with a pen inscription on the back which reads "This note is one out of the first batch that came to St. Louis, Mo. Sub-Treasury," in the top margin and "This note received by F. F. Saitz, St. Louis August 24th 1896," in the bottom margin. A lovely two dollar Educational which we are pleased to bring back to its home town for auction. Without the inscription we would estimate this note at \$2,000. With the inscription an accurate estimate is simply too elusive. (?-up)

- 613 Fr. 247 \$2 1896 Choice New+. Just a bit tight at the bottom margin, otherwise this bright and original two dollar Educational is simply perfect. (1800-up)

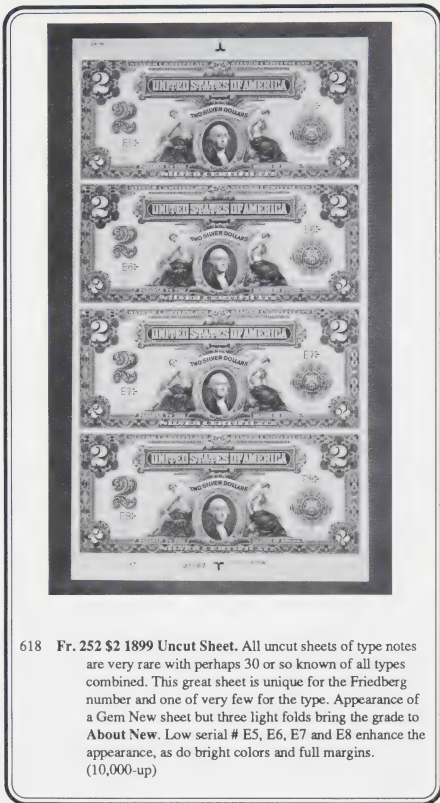

- 614 Fr. 248 \$2 1886 Gem New. A Superb note in every respect. Broadwalk margins, incredible color and sharpness, excellent centering and the tougher of the two signature combinations. If you appreciate quality, you won't be able to resist this note. (3500-up)

- 615 Fr. 249 \$2 1899 Gem New. The first of our 1899 Twos. (300-up)

- 616 Fr. 251 \$2 1899 Gem New. Deeply original and as nice as they come. (300-up)

- 617 Fr. 251 \$2 Choice New. Very nearly Gem. (200-up)

- 618 Fr. 252 \$2 1899 Uncut Sheet. All uncut sheets of type notes are very rare with perhaps 30 or so known of all types combined. This great sheet is unique for the Friedberg number and one of very few for the type. Appearance of a Gem New sheet but three light folds bring the grade to About New. Low serial # E5, E6, E7 and E8 enhance the appearance, as do bright colors and full margins. (10,000-up)

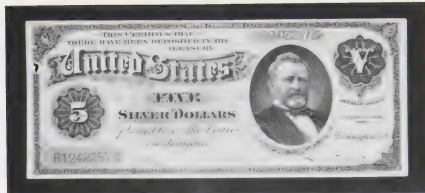

- 619 Fr. 253 \$2 1899 Choice New. (200-up)

- 620 Fr. 255 \$2 1899 Gem New. Very attractive and well margined. (300-up)

- 622 Fr. 256 \$2 1899 Choice New. (200-up)  
 623 Fr. 256 \$2 1899 Choice New. (200-up)  
 624 Fr. 258 \$2 1899 Gem New. Far better than average margins. (300-up)  
 625 Fr. 258 \$2 1899 Choice New. Would be Gem but for the lack of a top margin. (175-up)  
 626 Fr. 258 \$2 1899 About New. (100-up)

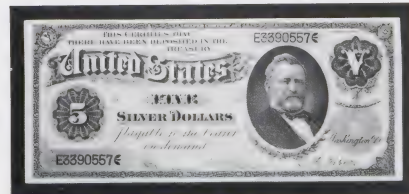

- 628 Fr. 261 \$5 1886 Choice Extra Fine. Extremely well centered with full color. An original note that would grade Gem New but for three light folds. This scarcer number Silver Dollar Back would fit very nicely into any high grade collection. Easily worth About New money! (1000-up)

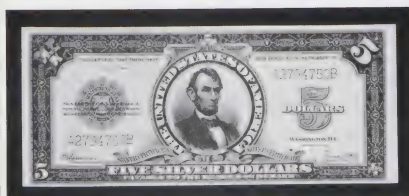

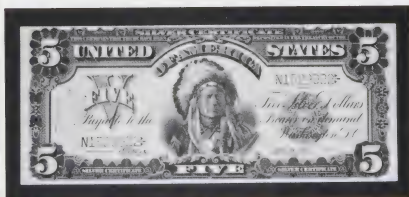

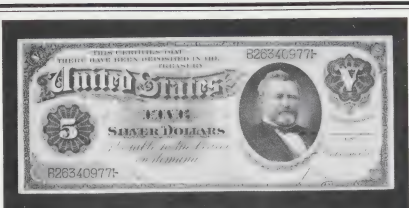

- 629 Fr. 263 \$5 1886 Choice New. Fresh and original, the top margin is a little too tight for the Gem grade. Nicier than Lot #1221 of our November Sale which brought \$1,200. Sure to sell for at least ... (1750-up)

- 630 Fr. 263 \$5 1886 Choice New. A very attractive note centered just a bit high face and back. (1750-up)  
 631 Fr. 263 \$5 1886 Very Fine. Well margined. (450-up)

- 632 Fr. 266 \$5 1891 Choice Extra Fine. Boardwalk margins and bright colors. (500-up)

- 627 \$5 Silver Certificate Type Set. This set is missing only the 1891 Five, a beautiful example of which appears as lot No. 633 below. The set contains Fr. 263 1886 Choice New; Fr. 268 1896 Choice New, well centered and attractive; Fr. 279 1899 Choice About New; and Fr. 282 1923 Choice About New. (4 pieces) (6500-up)

- 637 Fr. 269 \$5 1896 Choice About New. Just a hint of a center fold on this otherwise perfect five dollar Educational. (1750-up)

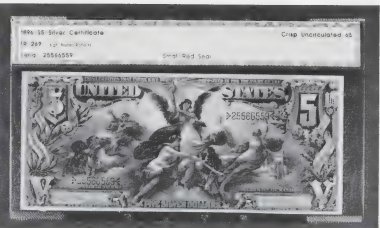

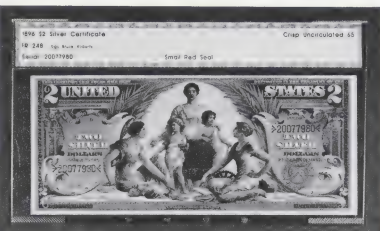

- 634 Fr. 268 \$5 1896 Very Fine. Full even margins and excellent color. A perfect circulated example of the lovely Five Dollar Educational design. (400-up)

- 635 Fr. 269 \$5 1896 Gem New. A pleasing note that would be a solid addition to any collection. (4000-up)

- 636 Fr. 269 \$5 1896 Gem New. Excellent margins, good color; an altogether pleasing Five Dollar Educational. (4000-up)

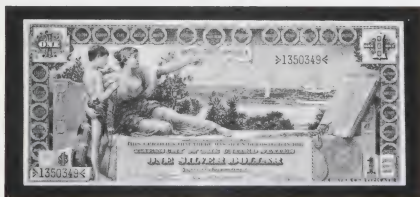

- 638 Three Piece Educational Set. Fr. 224 \$1 1896; Fr. 248 \$2 1896 and Fr. 269 \$5 1896. All three notes are Hallmark Crisp Uncirculated 65. Please note that no lot graded by a third party grading service may be returned. (3 pieces) (8500-up)

# Complete Educational Set

- 639 **A Complete Educational Set.** This is the full seven note set including all signature varieties. It is being offered as a set at the consignors request, but each note truly deserves to be lotted singly. The set consists of Fr. 224 \$1 Very Choice New Tillman/Morgan, full bright color, excellent margins and snappy originality; Fr. 225 \$1 Very Choice New Bruce/Roberts, essentially perfect, one tight spot in the top left margin prevents this note from being a Gem; Fr. 247 \$2 Gem New Tillman/Morgan, a superb note with great color and margins and the added attraction of the three digit No. 265; Fr. 248 \$2 Very Choice New Bruce/Roberts, fresh and original, margins just a hair tight for Gem; Fr. 268 \$5 Choice New Tillman/Morgan, a very nice looking five dollar Educational that is kept from Gem only by a slight tightness at the bottom right; Fr. 269 \$5 Very Choice New Bruce/Roberts, another beautiful five dollar Educational; Fr. 270 \$5 Choice New+ Lyons/Roberts, this gorgeous note is the key to the entire set. Far above average in all respects, this stunning note is just a hair away from Gem.

We cannot recall having seen a complete Educational Set at auction before and it is not likely that we will see another in the near future. Offered in this form, it is our opinion that the set will sell for less than the sum of its notes. This may be an excellent opportunity for the astute buyer. (7 pieces) (16,500-up)

(275-up)

- 717 **A Great Currency Related Letter.** Written by George H. Blake (an early collector-dealer) to an otherwise unidentified "Elliott" almost certainly Elliott Smith, President of the New York Numismatic Club and also President of the ANA at about this time. Elliott Smith was a major early currency collector. The letter refers to a set of demand proofs which Mr. Blake sent along with a letter to "Elliott". The letter mentions the set coming from an ex treasurer of the United States and also mentions that he is anxious to deliver them "before I can hear from Grinnell." In the body of the letter Mr. Blake has typed the words "Demand Proofs" in red. (150-up)

- 719 **Bessemer - \$20.00 1902 Red Seal Fr. 639 The Bessemer NB Ch. # (S)6961**  
A very rare Red Seal, with only one other such example known from this location. It has been some time since a Red Seal of this caliber has been available from a better Alabama bank, and we expect spirited competition to capture this prize. **Very Good-Fine**. (900-1500)

- 720 **Birmingham - \$5.00 Ty. 1 The First NB Ch. # 3185**  
Bright and well centered **Choice Crisp Uncirculated** example, just one tiny handling mark at the top margin away from **Gem**. (60-90)

- 721 **Eufaula - \$20.00 1902 Fr. 652 The East Alabama NB Ch. #3622**

- 722 **Eufaula - \$20.00 1902 Fr. 658 The Commercial NB Ch. # 5024**  
Easily the highest grade note from this tough bank we've ever seen. **Extremely Fine+**, with the signatures somewhat faded but still quite attractive in appearance. (250-350)

## ARIZONA

- 723 **Phoenix** - \$20.00 Ty. 1 **The Phoenix NB Ch. # 4729**

An elusive and always in demand state. **Fine** overall, but there are a few relatively inconspicuous repairs around the title where an erasure has been filled in. (90-140)

## ARKANSAS

- 724 **Berryville** - \$20.00 Ty. 1 **The First NB Ch. # 10406**

- Fayetteville** - \$10.00 Ty. 1 **The Arkansas NB Ch. # 8786**

- 726 **Downey** - \$20.00 Ty. 1 **The First NB Ch. # 11701**

An extremely rare note from the only bank in this Los Angeles County enclave. We know of no other notes from here being offered for sale within the last two decades, as even the fabled Krakover collection had no example from this town. **Very Good**, sure to excite the interest of the many collectors of Southern California notes. (400-600)

- 727 **Long Beach** - \$5.00 1902 Fr. 598 **The NB of Long Beach Ch. # (P) 6730**

- 728 **Pomona** - \$5.00 1902 Date Back Fr. 591 **The First NB Ch. # (P) 3518**

- 730 **San Francisco** - \$5.00 National Gold Bank Note Fr. 1136 **The First National Gold Bank Ch. # 1741**

This is one of the most attractive National Gold Bank Notes we have seen in some time. Using super conservative grading, it grades **Fine-Very Fine**, although we have oftentimes seen far inferior notes described as **Very Fine** or better. The colors are bright, the corners are sharp, and the all important coin vignette is virtually untouched by wear. We like this note and are certain that its new owner will like it as well. (1400-2200)

- 731 **San Francisco** - \$5.00 1882 Fr. 475 **The San Francisco NB Ch. # (P) 5096**

Choice Crisp Uncirculated with broad margins, albeit a bit off center on the reverse. This example will fit nicely into any type or state Brown Back set. (600-800)

- 732 **San Francisco** - \$10.00 1882 Fr. 490 **The Wells Fargo Nevada NB Ch. # (P) 5105**

- 733 **San Francisco** - \$20.00 1882 Date Back Fr. 555 **The Wells Fargo Nevada NB Ch. # (P) 5105**

Always in demand type and title. **Very Good+**. (100-150)

- 734 **San Francisco** - \$10.00 1902 Date Back Fr. 618 **The Anglo & London Paris NB Ch. # (P) 9174** \$20.00 1902 Fr. 652 **The Anglo & London Paris NB Ch. # 9174**

Nice pair from this interestingly named institution, the ten grading **Very Good**, the twenty **Fine-Very Fine**. (2 pcs.) (75-100)

- 735 **San Francisco** - \$20.00 1902 Date Back Fr. 645 **The Bank of California National Association Ch. # (P)9655**

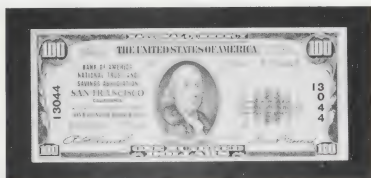

A very difficult to find type which has always been underrated in top grade. **Uncirculated**, cut a bit close at the top, and with one small and rather hard to find cornerfold. (150-250)

- 736 **San Francisco** - \$5.00 1902 Date Back Fr. 593 **Mercantile NB Ch. # (P)9683**

Far higher grade than normally obtainable from this elusive bank. **Very Fine+**. (75-125)

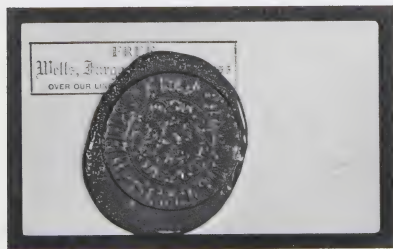

- 737 **San Francisco** - \$50.00 1902 Date Back Fr. 671 **Merchants NB Ch. # (P)9882**

Another short lived San Francisco institution which issued large notes only before bowing out in 1923. **Fine**. (175-250)

- 738 **San Francisco** - \$100.00 Ty. 2 **Bank of America NT & SA Ch. # 13044**

This is actually one of the rarest type notes in the sale, as the number of truly uncirculated Type 2 hundreds known is certainly under a dozen. This example is one of that select group, a well margined **Choice Crisp Uncirculated** note fit for the finest of collections. (750-1250)

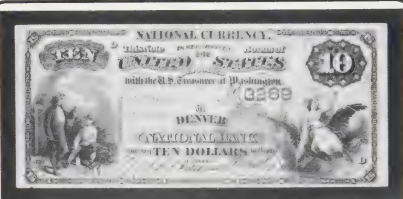

- 739 **Stockton - Wells Fargo & Co.** large wax seal for "Gold Deposit" affixed on verso to a 1905 Wells Fargo Nevada NB credit memo. **As New**.

A fascinating item which would make a great display piece. (75-150)

## COLORADO

- 740 **Colorado Springs** - \$5.00 1902 Fr. 600 **The Colorado Springs NB Ch. # (W)8572**

A scarcer item as are all notes from here in large size. **Very Good-Fine**. (125-175)

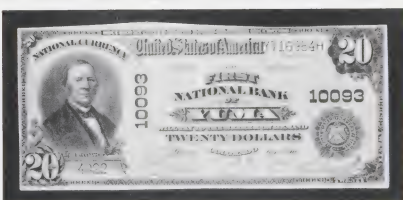

- 741 **Denver** - \$10.00 1882 Fr. 480 **The Denver NB Ch. # 3269**

An attractive example of a scarce and sought after type from this popular state. **Fine+**. (800-1200)

- 742 **Mancos** - \$5.00 Ty. 1 **The First NB Ch. # 9674**

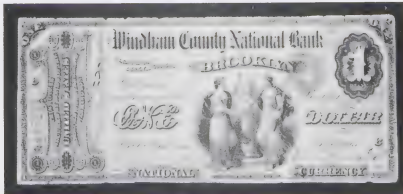

A very scarce note from the only bank to issue from here. **Very Good**. (250-400)

- 743 **Yuma** - \$20.00 1902 Fr. 654 **The First NB Ch. #10093**

A scarce and seldom offered note from a small town in NE Colorado. **Very Fine**, trimmed in at the side margins and bearing a few pinholes, but enhanced by bright purple signatures. (500-900)

## CONNECTICUT

- 744 **Brooklyn** - \$1.00 Original Fr. 380 **The Windham County NB Ch. # 1360**

An extremely rare note with this title, used only until 1895 when the bank moved to nearby Danielson. Evenly circulated **Very Good**. (300-400)

- 745 **New Britain** - \$20.00 Ty. 1 **The City NB Ch. # 12846**

Type ones only in small size from this seldom offered bank. This example is the first we've had in some twenty years. **Very Good-Fine.** (100-200)

- 746 **Stamford** - \$10.00 1902 Fr. 635 **The Peoples NB Ch. # 12400**

A prohibitively rare note in large size despite the best efforts of the many Fairfield County collectors to turn these up. We have not in fact seen a large note from this bank publicly offered since 1978. **About Fine.** (200-300)

- 747 **Interesting Low Charter Pair**

**New Haven** - \$10.00 Ty. 1 **The First NB & TC Ch. # 2**

Trio of better Connecticut notes, the first two **Very Good** or a bit better, the last **Fine.** (3 pcs.) (120-175)

## DELAWARE

- 749 **Dover** - \$20.00 Ty. 2 **The First NB Ch. # 1567**

Bright and attractive **Crisp Uncirculated** example from this tough state capital, with only minor handling and one corner tip fold. This is a far nicer example than the \$5.00 in our last sale, which, despite a margin tear, fetched \$231.00. (200-300)

- 750 **Wilmington** - \$20.00 Ty. 2 **The Union NB Ch. # 1390**

Evenly circulated **Fine** example from this hard to find state. (75-125)

A lovely example of this scarce District type. Bright and vivid **About Uncirculated**, a premium specimen sure to please. (125-225)

## FLORIDA

- 753 **Key West** - \$20.00 Ty. 1 **The First NB Ch. # 4672**

An extraordinarily high grade note from this sought after bank. We've not seen a nicer example offered in over ten years. **Crisp About Uncirculated**, one minor center bend from new. (300-500)

between the four notes. The bottom two notes with the prefix letters "E" and "F" have been removed, leaving the top four of the original six intact. The lower left corner tip of the bottom note is missing, but the overall impression of this scarce numismatic treasure is quite striking. A highly significant item. To the best of our knowledge the only high denomination multiple known on the state. (1750-2000)

Lot 758

756 Lewiston - \$50.00 1902 Date Back Fr. 667 The First NB Ch. # (P)2972

757 Lewiston - \$100.00 1902 Date Back Fr. 689 The First NB Ch. # 2972

758 Lewiston - \$50.00 Ty. 1 The First NB Ch. # 2972

Scarce even in small size from this bank. **Fine**. (150-250)

Scarcer NW Illinois note in better grade than most from here. **Very Fine.** (90-140)

- 763 Cambridge - \$10.00 1882 Fr. 490 The Farmers NB Ch. # (M)2572

Earliest note we know of from this Henry County community. Pen signed **Fine-Very Fine.** (250-350)

- 764 Casey - \$10.00 Ty. 1 The First NB Ch. # 6026

With three national banks, this should be an easy town to obtain. Not so, however, as all are scarce to rare. **Very Fine+.** (75-125)

- 765 Chicago - \$5.00 Original Fr. 399 The Corn Exchange NB Ch. # 1709

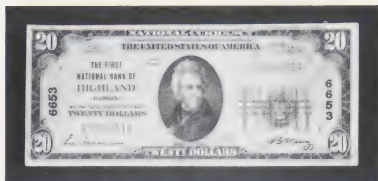

An excessively rare Chicago bank which issued FCP notes only before liquidating in 1879. It is a lovely note as well, grading a strong **Very Fine-Extremely Fine**, with a few pinholes but great color for the grade. In all, this is a great note certain to make any collector happy. (600-900)

- 766 Cuba - \$20.00 Ty. 1 The First NB Ch. # 11144

A scarce bank which, most unusually, elected to issue only \$20.00 examples in Series 1929 notes. **Very Good+**, further enhanced by the signature of Marie C. Harrison, one of Illinois' few female signatories as Cashier. (125-175)

## REMINDER

**A 10% buyers fee will be added to all successful bids.**

771 **Lincoln** - \$1.00 Original Fr. 382 **The First NB Ch. # 2126**

A pleasing example which is fully original, with the color and "flash" of a choice note, but cut just a bit close at the top and with a tad too much handling to merit that designation. **Crisp Uncirculated.** (500-700)

772 **Mendota** - \$10.00 Ty. 1 **The First NB Ch. # 1177**

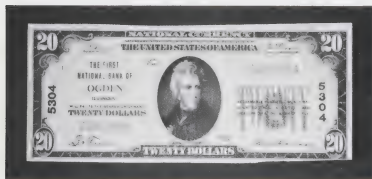

Much scarcer in small size than large, due to this bank's demise in February of 1932 after issuing but a small number of Type one notes only. **Very Good-Fine.** (100-150)

# NEWLY DISCOVERED \$100 VALUE BACK SERIAL #1

## 812A New Orleans - \$100.00 1882 Value Back Fr. 586a Canal-Commercial NB Ch. # (S)5649

Without doubt this is the most significant single note offered at public sale in the last twenty five years. Its importance can hardly be overstated, considering that this example makes numismatic history by being the first of its kind ever offered to the collecting public at large. Only two banks in the country issued this type, with this newly discovered note bringing the total population to four. Of that number, only one, other than this note, is in private hands. The other known examples are as follows:

- 1) An example from the Winters National Bank of Dayton, Ohio in the National Numismatic Collection, Smithsonian Institution, Washington, DC.
- 2) An example from the Winters National Bank of Dayton, Ohio in the possession of the Federal Reserve Bank of Chicago, Illinois.
- 3) An example from the Canal-Commercial National Bank of New Orleans, Louisiana grading fine or a bit better, sold by Dean Oakes in 1981 for a reported \$60,000 now in a prominent midwestern collection.
- 4) The example offered here grading Fine and bearing serial #1.

With only one other example in private hands this offering is truly likely to be a once in a lifetime opportunity to obtain the formerly unobtainable. When the hammer falls, we expect, most conservatively, a realization in the range of ... (60,000-80,000)

969 East Rochester - \$20.00 1902 Fr. 654 The First NB Ch. # 10141

A very scarce bank in large size, with only two examples reported to date. **Fine+**. (200-300)

**Currency Auctions of America, Inc.**  
is pleased to announce  
that our next public auction  
will take place in the Winter  
of 1992. We are now  
accepting consignments for  
what will be a  
major currency event.

970 Gasport - \$10.00 1902 Fr. 631 The First NB Ch. # (E)10623

One of the most exciting New York notes we've had the pleasure to handle in some time. Only one other large size example from this location has ever been reported, and that note, part of the famed Grinnell collection of New York nationals, has not surfaced for over forty years since its last appearance. This is a new discovery sure to please the bidder lucky enough to obtain it. **Nice Fine.** (400-600)

971 Grand Gorge - \$10.00 Ty. 1 The First NB Ch. # 7618

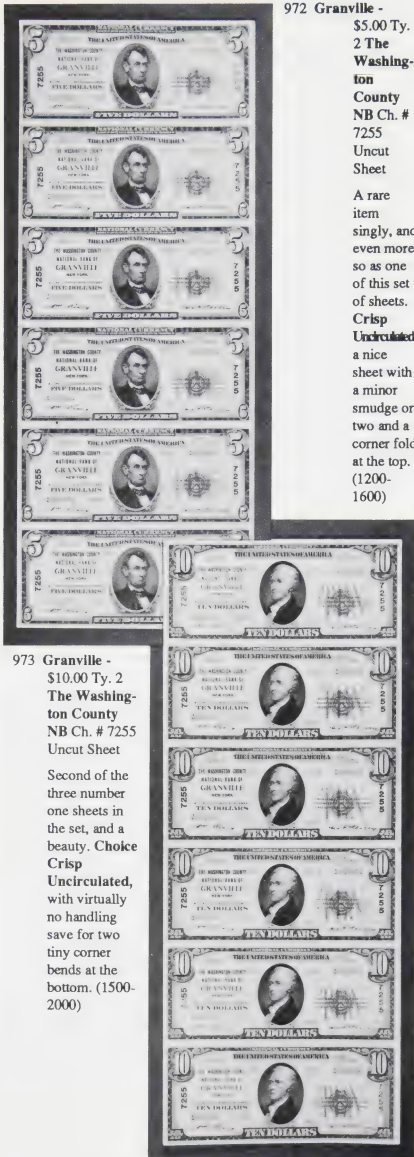

A great New York town name on this always popular note. **About Fine.** (150-250)

**A Unique matched set of number 1 Granville sheets**

972 Granville -

Sheet

A rare  
item  
singly, and  
even more  
so as one  
of this set  
of sheets.  
**Crisp**  
**Uncirculated**,  
a nice  
sheet with  
a minor  
smudge or  
two and a  
corner fold  
at the top.  
(1200-  
1600)

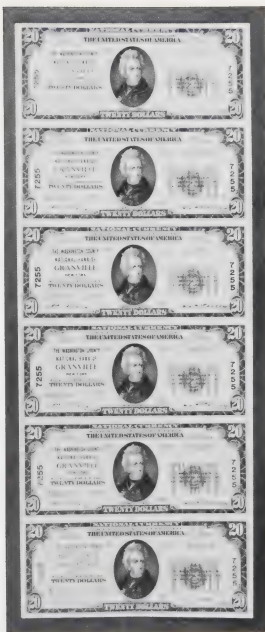

973 Granville -  
\$10.00 Ty. 2  
The Washing-  
ton County  
NB Ch. # 7255  
Uncut Sheet

Second of the  
three number  
one sheets in  
the set, and a  
beauty. **Choice**  
**Crisp**  
**Uncirculated**,  
with virtually  
no handling  
save for two  
tiny corner  
bends at the  
bottom. (1500-  
2000)

- 974 **Granville - \$20.00 Ty. 2 The Washington County NB Ch. # 7255 Uncut Sheet**

- 975 **Highland Falls - \$20.00 Ty. 1 The First NB Ch. # 8850**

A rare note from this small town located just outside the gates of the United States Military Academy on the bluffs overlooking the Hudson River. We know of only two other small size examples from here. **Fine+.** (200-300)

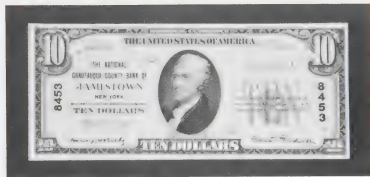

- 976 **Harrison - \$20.00 Ty. 1 The First NB Ch. # 12601**

An excessively rare Westchester County location which had its only public offering in some forty five years back in 1977. Evenly circulated **Fine**, with a tiny stamped number on the reverse mentioned only for the sake of accuracy. A liberal bid is suggested, as our last sale produced numerous disappointed bidders on virtually all of the Westchester County lots. (600-900)

- 977 **Hoosick Falls - \$5.00 Ty. 1 The Peoples NB Ch. # 5874**

A common bank, but not as a serial number 1 note. **Crisp About Uncirculated.** (350-500)

- 978 **Jamestown - \$10.00 Ty. 1 The National Chatauqua County Bank Ch. # 8453**

As lovely as the day it was printed, and bearing desirable low serial number B000002A as well. **Gem Crisp Uncirculated.** (150-250)

- 979 **Kingston - \$100.00 Original Fr. 454 The Kingston NB Ch. # 1149**

A very rare type, with only about three dozen known from all locations combined. This example is considerably nicer than the FCP hundred in our November sale, which despite a faded seal and close trim on all sides, realized \$1950. **Very Good+**, with good color and body for the grade, a nice example which should attract bids in the range of ... - 986 Mount Vernon - \$20.00 Ty. 1 **The First NB Ch. # 5271**

Decent **Very Good-Fine** example from this Westchester County suburb. (75-125)

- 987 New York City - \$1.00 Original Fr. 380 **The Tenth NB Ch. # 307**

\$5.00 1902 Date Back Fr. 616 **The Fifth NB Ch. # (E)341**

Two of the less common numerically titled notes, the first of which represents the highest number used by any national bank. **Very Good-Fine**, with a few splits, **Fine**. (2 pcs.) (125-200)

**Set of three different titles used by one bank**

- 980 Kings Park - \$5.00 Ty. 1 **Kings Park NB Ch. # 12489**

An extremely rare bank which has had only two offerings in the last forty years. A low grade large note missing a corner brought \$1000 in a 1981 NASCA sale, and this example, the only small note we know of from here, realized \$650 on a \$600 estimate when last offered in 1985. **Fine-Very Fine**. (500-900)

- 981 Larchmont - \$5.00 1902 Fr. 608 **The Larchmont NB & TC Ch. # 6019**

Tougher second title used on large notes for only five years. **Very Good**, with a few small repairs and one tiny section out of the top margin going slightly into the design. (60-100)

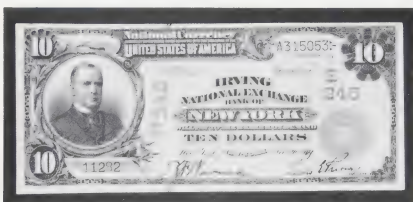

- 982 Larchmont - \$10.00 Ty. 1 **The Larchmont NB & TC Ch. # 6019**

**Nice Fine+** example certain to attract spirited bidding, as have all Westchester notes offered lately. (100-150)

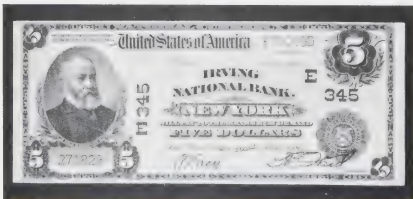

- 988 New York City - \$10.00 1902 Red Seal Fr. 613 **The New York National Exchange Bank Ch. # (E)345**

Last type issued by this bank using its original title. Extremely Fine, ex James M. Wade collection (1956) as **About Uncirculated**. (175-300)

- 989 New York City - \$10.00 1902 Red Seal Fr. 615 **Irving National Exchange Bank Ch. # (E)345**

Second title used by the bank, used on Red Seals for only one year from 1907-1908. This is both a scarce note and a scarce signature combination. **Bright Very Fine-Extremely Fine**. (250-400)

- 983 Lowville - \$5.00 Ty. 1 **The Black River NB Ch. # 2426**

- 990 New York City - \$5.00 1902 Fr. 602 **Irving NB Ch. # (E)345**

- 991 New York City - \$5.00 Original Fr. 397 The Tradesmens NB Ch. # 905

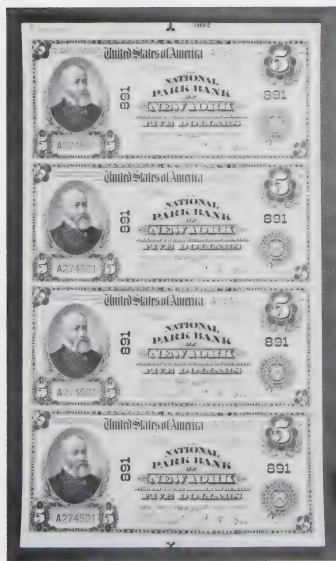

Really a superlatively attractive first charter example, just as bright and vivid as the day it left the press. Crisp Uncirculated, a gem of a note which can not be labelled as such because of the close bottom margin both front and back. (700-1100)

- 992 New York City - \$1.00 Original Fr. 380 The National Shoe & Leather Bank Ch. # 917

Nice broadly margined example from this interestingly titled bank. **About Fine.** (150-200)

- 993 New York City - \$1.00 Original Fr. 380 The Saint Nicholas NB Ch. # 972

An always in demand title. **Very Good**, with a couple of tiny repairs visible only from the reverse. (125-175)

- 993A New York City - \$5.00 1902 The National Park Bank Ch. # 891 Uncut Sheet

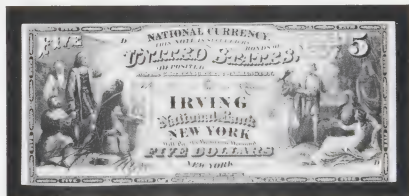

Uncut third charter sheets of four notes are truly imposing. This bright example has been folded horizontally between notes and grades **Extra Fine**. The serial number includes the prefix letter "A" indicating a second run through available numbers by this issuer. Bid liberally to secure this attractive uncut sheet. (1750-2250)

- 994 New York City - \$10.00 1902 Red Seal Fr. 613 The Mercantile NB Ch. # (E)1067

An attractive example with good color which is perfect for type. **Fine-Very Fine.** (135-225)

- 995 New York City - \$5.00 1875 Fr. 403 The National Butchers & Drovers Bank Ch. # 1261

Pleasing **Fine** example with a desirable occupational title. (150-250)

- 996 New York City - \$5.00 1875 Fr. 403 The Irving NB Ch. # 1357

A great companion piece to the three note set on the Irving NB and its predecessors. **Very Fine.** (300-400)

- 997 New York City - \$5.00 Original Fr. 397 The Chatham NB Ch. # 1375

**About Uncirculated**, with exceptionally vivid color on the face, but very slightly discolored on the reverse. (400-500)

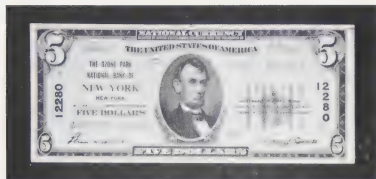

- 998 New York City - \$5.00 Ty. 1 The Chase NB Ch. # 2370

A "B suffix" example from the only bank to issue this variety. **Very Fine.** (75-125)

999 New York City - \$5.00 1882 Fr. 477 The New Amsterdam NB Ch. # 5783

The bottom note from the third sheet issued by this short lived bank. **About Uncirculated**, with the bottom selvaige still attached to the note, a real showpiece. (350-550)

1000 New York City - \$5.00 Ty. 2 The Ozone Park NB Ch. # 12280

A lovely **About Uncirculated** example from this scarce Queens County bank. (175-275)

1001 Nyack - \$5.00 1902 Fr. 606 The Nyack NB Ch. # (E)2378

1002 Oxford - \$5.00 Ty. 2 The NB of Oxford Ch. # 14025

A very scarce note from one of New York's three 14000 charter banks. **Fine-Very Fine**. (150-250)

1003 Pine Bush - \$5.00 Ty. 2 The Pine Bush NB Ch. # 9940

A great name, a scarce bank, and a serial number one note in high grade, in all, a winning combination. **About Uncirculated**. (450-650)

1004 Plattsburgh - \$10.00 1902 Fr. 624 The City NB Ch. # (E)6613

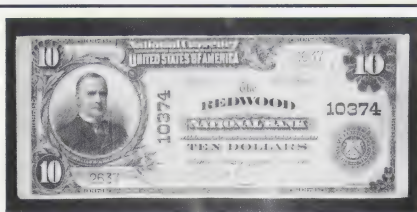

Only the third note from this rare bank we've recorded in twenty years of searching. A \$20.00 date back in virtually the same grade sold for \$350.00 in 1989 from our list. This should bring about the same figure. **Very Good-Fine**. (300-400)

1005 Port Jervis - \$5.00 1902 Fr. 598 The First NB Ch. # 94

Bright and high grade low charter example. **Very Fine-Extremely Fine**. (75-125)

1006 Pulaski - \$5.00 1882 Fr. 469 The Pulaski NB Ch. # 1496

A small and rather obscure Oswego County bank which has no public offerings since the Decker specimen was sold in 1981. **Very Good**. (150-300)

1007 Redwood - \$10.00 1902 Fr. 629 The Redwood NB Ch. # 10374

One of the greatest New York notes we have been privileged to handle. We have recorded only two other large size notes from this town, and both are ensconced in the holdings of long term collectors and are most unlikely to see the light of day for many years. None of the great New York collections, from Grinnell in the forties to Donlon in the seventies and Decker in the eighties contained even one example from this sought after town. **About Fine**, an opportunity which may not be repeated for many years. (450-750)

A real winner of a note which combines both bank and  
type rarity. Only a handful of \$20.00 Value Backs are  
known from this scarce state, with this the only example  
we've seen from this scarce bank. Fine, with a few old  
glue stains around the margins of the note. (700-1000)

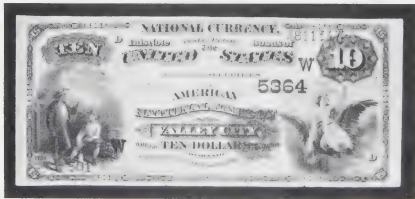

1023 Makoti - \$5.00 Ty. 1 The First NB Ch. # 11184

First small size note from this ultra-rare bank to be

- 1029 **Cleveland** - \$20.00 1882 Fr. 499 **The Western Reserve NB Ch. # 4782**

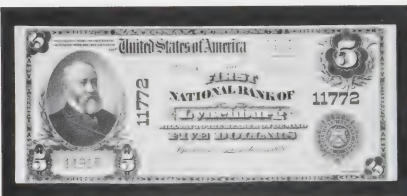

Unique to our best knowledge, with no prior offerings and no record of the existence of other notes from this short lived (seven years) bank which issued a relative handful of Brown Backs only. Serial number 1, a likely survivor only because it was preserved as a keepsake by someone associated with the bank. **Very Fine**, a note to display with pride. (750-1250)

## OKLAHOMA

1041 Custer City - \$10.00 Ty. 1 The First NB Ch. #8727

1037 Saint Paris - \$20.00 1902 Date Back Fr. 643 The Central NB Ch. # (M)8127

1042 El Reno - \$20.00 Ty. 1 The Citizens NB Ch. 5985

The top note of the first sheet of twenties issued by the bank, and a premium example of a serial number 1 note. Oklahoma is not an easy state from which to obtain number one notes, and we are proud to have two nice ones to offer in this sale. **Choice Crisp Uncirculated.** (500-900)

1038 Wilmington - \$5.00 1882 Fr. 472 The Clinton County NB Ch. # 1997

- 1054 Downingtown - \$10.00 Ty. 1 The Grange NB of Chester County Ch. # 8646

One of the few of these uniquely titled banks to survive long enough to issue small notes. This one is just plain scarce, and made even more desirable by the fact that most Chester County collectors are lacking an example from this institution. **About Fine.** (100-200)

- 1055 East Stroudsburg - \$5.00 1902 Fr. 600 The East Stroudsburg NB Ch. # 4011

A lovely example from this seldom seen bank. **Crisp Uncirculated** and fully original, a note that would grade a full Choice CU but for a minor corner fold that does not extend into the design. (200-300)

1056 Franklin - \$2.00 1875 Fr. 391 The First NB Ch. # 189

Earliest note we've observed on this small western Pennsylvania bank. **About Fine** overall, but a small area of the margin at the upper left corner is missing. For all that, this is still an attractive **Lazy two**. (275-450)

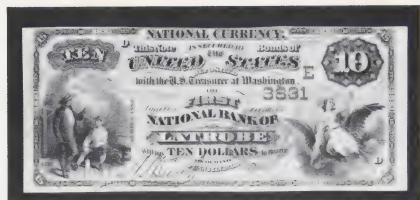

1060 Irvona - \$10.00 1902 Fr. 632 The First NB Ch. # 11115

A fantastic new discovery item which is unique to our best knowledge. One of the smallest banks in the state, this institution had a total issue of a mere 1201 sheets of large notes over a dozen years, with a paltry \$770 outstanding as of 1931. If rarity is any guide, expect lots of action on this lot. **Fine**, with pen signatures. (500-1000)

1057 Green Lane - \$5.00 Ty. 2 The First NB Ch. # 14214

A great note from a rare suburban Montgomery County bank which issued Type 2 notes only for less than one year. **Extremely Fine-About Uncirculated**. (200-300)

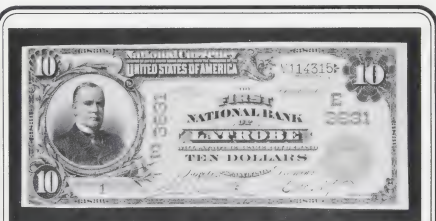

1061 Latrobe - \$10.00 1882 Fr. 483 The First NB Ch. # (E)3831

A beautiful example with full originality and vivid colors, removed from the Gem classification only due to the close top margin. **Choice Crisp Uncirculated**, a lovely Brown Back fit for the finest of collections. (600-900)

1058 Greenville - \$10.00 1875 Fr. 419 The Greenville NB Ch. # 2251

1062 Latrobe - \$10.00 1902 Red Seal Fr. 615 The First NB Ch. # (E)3831

An absolutely beautiful serial number 1 Red Seal in the ultimate condition. Pen signed **Choice Crisp Uncirculated**, and bearing the rarest of the three Red Seal signature combinations, this truly is a note of great distinction. (1300-1800)

1059 Indiana - \$10.00 1902 Fr. 625 The Citizens NB Ch. # 7993

A very scarce note with a great two state title. **About Uncirculated**, cut a bit close at the top but with attractive two color signatures. (200-300)

1063 Latrobe - \$10.00 Ty. 1 The First NB Ch. # 3831

First small note issued by this bank, bearing serial number A000001A. It is as pretty as the Red Seal number one offered above, and, unusually, bears the same officers' signatures as does the note issued some twenty years earlier. **Choice Crisp Uncirculated.** (500-750)

1064 Latrobe - \$5.00 Ty. 2 First NB Ch. # 13700

1067 North East - \$20.00 1902 Date Back Fr. 644 The NB of North East Ch. # (E)9149

A rare bank with only two public offerings in four+ decades, the last a small size which appeared on our fiftieth list back in 1985. **Very Good-Fine.** (300-400)

1068 North Girard - \$10.00 Ty. 1 The First NB Ch. # 12363

An excessively rare Erie County note for which we can find no record of any public offerings for the past forty years. Only a handful of notes were issued from here, and it may well be years before the opportunity arises to again obtain an example from this location. **Fine.** (250-400)

No examples from here have been reported to date, making this exciting new discovery even more desirable. Pen signed **Very Fine**, a lovely example well worth a most liberal bid. (750-1250)

**REMEMBER—**

1115 New Braunfels - \$100.00 Ty. 2 The First NB Ch. # 4295

A most unusual and scarce bank in that its issue of small size notes was composed solely of fewer than 200 sheets of Type 2 \$100.00 examples. This note is one of the nicest of the very few that have survived. **Very Fine+**. (500-900)

1116 Shiner - \$5.00 1882 Fr. 477 The First NB Ch. # (S)5628

- 1124 **North Bennington** - \$5.00 Fr. 587 1902 Red Seal **The First National Bank Ch. #** N194

A wonderful note from one of the 14th state's oldest banking institutions. Serial #1 and vivid ink signatures will make this note the object of spirited competition between frenzied collectors. Attractive margins enhance its appeal. Folded lightly three times, hence **Extra Fine**. The type of note which may spark runaway bidding. Our estimate (1250-1750)

## VIRGINIA

8875

A unique note in large size to our best knowledge and so rare as a bank that it was one of the very few charters missing from the encyclopedic Elvin Miller collection of Virginia notes. **Bright Fine**, with the signatures faded out, a real prize for the serious collector of nationals from this fascinating state. (600-900)

Scarcer western Virginia note from Wise County. **Fine-Very Fine.** (150-250)

(S)11718

A very rare note from a bank which issued for less than five years before being closed in March of 1925. Well circulated but intact **Very Good**, a great opportunity. (450-750)

Pen signed **Very Good-Fine**, a trophy note worthy of inclusion in the finest of collections. (3500-5500)
